PDGA Rules

PDGA Official Rules of Disc Golf

⁽¹⁾ **Standard OB rules**

If a player disc is OB, the normal OB rule applies. Unless otherwise stated under the individual hole descriptions.

Play from where the disc last was inbound or re-throw from previous spot.

Both will result in a one stroke penalty.

On some holes a spotter will help you in the direction of your disc.

But remember, a spotter is not a judge!

If there is any doubt about where the disc last where inbound or if it is OB.

Then it is up to the group the make the decision.
