About us

CELEXPORT PAMMASE INTERNATIONAL

PT. Celexport Pammase International an Indonesian international trading company in Jakarta, export/import trade consultant for Indonesian Manufacturers, Overseas Retailers, E-Commerce Companies, Foreign Buyers, Distributors and Agents.

Indonesia commonly known as the largest producer and exporter of many agricultural, spices, herbs and coffee bean in the world. The commodities of this tropical country famous for its good quality, taste and appearance and has been consumed in as many as 40 countries all over the world.

Celexport relies on sourcing and logistics to minimize the risks of buying on FOB, CFR, and CIF terms. We have a good idea of which suppliers can deliver on their promises, which documents need double and triple checking, and which shipping lines
are most likely to respect your product. In Indonesia, arguably one of the most complicated spices origins, we have people on the ground watching your products at every step in the process.

We assist Indonesian manufacturers to promote the sale of their high-quality products and materials at competitive prices in the global marketplace; provide profitable export strategies, and develop long-term relationships with foreign buyers, distributors, and agents.

Celexport already works with quite a few suppliers. We would like to include your products in our menu so please contact us for a free consultation-we would love to hear from you, and allow a worldwide audience to preview your products.

OUR MISSION

Indonesia has more than 60 million of micro producers, but they could only contribute 14 percent of export value, due to limited knowledge and necessary resources. Our company presence to help these entrepreneurs by promoting and selling their products.

OUR VISION

01 Gradually adding the new knowledge aiming to more diverse and sophisticated set of products

02 Disrupting the world of export by innovating the new line of technology

03 By reaching greater economic complexity, we believe it helps the level income of our country and reaps important rewards

7 REASONS TO CHOOSE CELEXPORT

01 We carefully vet our suppliers and buyers whether their products satisfy your consumer tastes and comply with the export regulations

02 We form a community along with our suppliers to maintain the quality and consistently to supply the international market

03 With 'Free Samples' feature, you could always try our product before purchasing

04 You deserve competitive price from high quality product and reliable suppliers

05 Our sales representatives are on the spot, they are extremely adapted with native language, social, and economic culture.

06 You can directly customize and then review the contract details here on our website

07 To adapt the business and consumer cultures, we establish our presence abroad by setting up a collaboration with local distributors or agents

OUR SERVICE

STRATEGIC SOURCING PARTNERSHIP

Sourcing by identifying and locating suppliers is relatively simple, but it becomes more complex as the amount of unique raw materials, ingredients, and supplies increases and the numbers of buyers involved in the decisions expand.

The risks of buying the wrong items, services or from the wrong supplier can have major impacts and ripple throughout a business. Consequences can range from late delivery to total service failure liability and can even affect market competitiveness.

Celexport relies on sourcing and logistics to minimize the risks of buying on FOB, CFR, and CIF terms. We help Buyers/Importers identify, target and verify with their potential suppliers and products through what we called Supplier Checklist, which include:

1. Check of Legality
2. Check of The Financial Capacity of The Company
3. Check of The Manufacturing Capacity
4. Check of The Quality Control of The Company
