Sir / HR Manager

A position at your Management has long been a career objective of mine.

So I am pleased to be applying for the 3D Designer position at a similar Management. My extensive experience with 2D & 3D Designing (interior, Exterior and Landscaping), to matches well Clients requirements. In addition, my background with working with large projects & Companies has given me the skills to adjust to the changing dynamics and processes of those environments while meeting scheduled milestones and deliverables.

In my previous experiences I have developed several Designing projects as Interior small scales and large scales till luxury scales and Government Organizations as Ministry of Economics, Minister of Culture, Dubai Police, Shariah Museum and AWQAF Authority with a good variety of projects Types as Apartments & Villas and farms and lounges and public Parks & Gardens and buildings & Towers, fit out works and Joinery wood working Even in Yachts For 8 Years in Dubai, Abu Dhabi, Alain, Sharjah as i have managed team Remotely Via Miro Boards App in an excellent productivity way Which makes us deliver even before time.

, notably I am accustomed to a fast-paced environment where deadlines are priority, handling multiple jobs is the norm. Also I have been able to deal with different Cultures of people where I learned to be a good communicator, how to have excellent interpersonal, leadership skills, and high integrity.

My desire to Get this Chance is strong and I believe that once I join your staff, we will together discover my Self-power

Niche Respectfully yours,

Mohamed Hassanein
