Bespoke services and unique venues to provide beautiful memories of your big day

The Angel Inn

Imagine you have been working in the vineyards all day and Madame wine producer is laying on a spread for all her workers in the evening. For those of you that might not want the formal white cloth dining experience, particularly if one of you is getting married for the second time, a lovely informal and intimate alternative is available.
You can get married in the wonderful, atmospheric Wine Cave, and head across to the Angel for the reception, before going back across the road to eat in the Wine Cave. This is a wonderful alternative to a traditional wedding breakfast and it is very competitively priced at £42 per person. The maximum capacity is for 30 people to dine in the Wine Cave, but it wouldn't be a really intimate wedding if you could have any more, would it?

Wharfedale Wedding Cars

Owner and driver David will chauffeur you to your venue in style, then take you for a spin to a scenic location for a few tranquil moments in his 1930's-style Beauford convertible. The car is finished in beautiful ivory paintwork with a luxury burgundy interior, has 4 doors and can carry four passengers. In keeping with the classic car, David also has a 1930's-"chauffeur" uniform; all of which is immaculately presented for you on your special day. See his Facebook page for more pictures.
