THE WHITBY HIGH SCHOOL

Enrichment Offer

Kindness
Respect
Commitment
Inclusivity

At The Whitby High School, we believe enrichment is key to helping students enjoy school life, build a strong sense of community, and prepare for the future.
Our Enrichment Programme supports personal growth, builds essential life skills, and strengthens employability and academic success. It offers students a wide range of opportunities beyond the classroom, encouraging development in social, moral, spiritual, and cultural areas.

We focus on three core areas:

- Work-Related Learning
- Community Participation
- Personal Development

Activities include volunteering, sports, arts, music, charity work, community partnerships, and work experience. These opportunities support our students in working towards their Pledges, which recognise their wider achievements.
Students are encouraged to explore their interests through extra-curricular activities, with growing support from community partners to expand what we offer.

Physical Education

At The Whitby High School, we believe that Physical Education is not just about taking part in sport, but about learning skills for life.

Dodgeball

Fast, fun, and full of energy – Dodgeball Club is all about teamwork, quick reactions, and friendly competition. A great way to get active and enjoy the game with friends!

Netball

Develop your passing, shooting, and defending skills while playing one of the UK's most popular team sports. Netball Club is a chance to compete, build fitness, and strengthen teamwork.

Volleyball

Learn the skills of serving, setting, and spiking while working as part of a team. Volleyball Club is a brilliant way to improve coordination and communication in a supportive environment.

Darts

Test your aim and precision in Darts Club. A fun and relaxed club that helps improve concentration, focus, and accuracy, while enjoying a social game with others.

Trampolining

Bounce, twist, and jump while building strength, coordination, and confidence. Trampolining Club is a great way to keep fit and try exciting new moves in a safe environment.

Badminton

Smash, serve, and rally in Badminton Club. Perfect for building speed, agility, and focus while enjoying both singles and doubles games.

Football (Boys and Girls)

Join our football teams to develop your skills, fitness, and teamwork. With training sessions and matches, Football Club is open to all abilities and a great way to enjoy the game.

Dance

Get moving with Dance Club – a creative and energetic space to learn routines, build confidence, and improve fitness while expressing yourself through movement.

Fitness Suite

Our fantastic new Fitness Suite is now open and ready for students to enjoy. Equipped with the latest machines and training equipment, it is the perfect place to improve strength, stamina, and overall fitness.

Whether you are looking to build muscle, boost your cardio fitness, or simply stay active, the Fitness Suite offers something for everyone. With expert guidance and a supportive environment, students can develop healthy routines, build confidence, and make the most of the excellent facilities now available at The Whitby High School.

Why Take Part in Physical Education?

Studying Physical Education gives students the chance to explore how the body and mind work together in sport, exercise, and everyday life.

It develops knowledge of health, fitness, anatomy, and the science of movement while also encouraging practical performance across a range of sports and activities.

PE teaches important life skills such as teamwork, leadership, resilience, and communication. It helps students build confidence, stay active, and understand the value of a healthy lifestyle.

Beyond the classroom, PE can open pathways into careers in sport, coaching, fitness, physiotherapy, education, and many other related fields.

Creative Arts

Creative Arts gives students the chance to explore their imagination through drawing, painting, drama, music, and hands on projects.

Art Club

Unleash your creativity and explore your artistic talents in Art Club. This is a space for students of all abilities to experiment with different materials and techniques while working on fun, creative projects.

In Art Club, you will have the chance to:

- Develop your drawing, painting, and design skills
- Experiment with new styles, ideas, and media
- Work on both individual and group creative projects
- Express yourself in a relaxed and supportive environment

Art Club is all about imagination, creativity, and enjoying the process of making art. Come along and see where your ideas can take you!

Year 11 Art, Textiles & Photography

This club is designed specifically to support Year 11 students as you work towards completing your coursework and preparing for final assessments. It provides extra time, space, and guidance to help you:

- Stay on track with sketchbooks, portfolios, and project deadlines
- Refine and improve practical work using a range of materials and techniques
- Get one-to-one advice and feedback from teachers to strengthen your projects
- Prepare for the externally set assignment by exploring ideas and practising skills in a supportive environment.

Fashion Club

Fashion Club is where creativity takes centre stage. Students design outfits, create mood boards, customise accessories, and bring their ideas to life through colour and style. Every week is filled with imagination, laughter, and loads of fabulous creations. It is the perfect place for Students to express themselves and have fun with fashion.

Drama Club

Unleash your creativity and explore your artistic talents in Art Club. This is a space for students of all abilities to experiment with different materials and techniques while working on fun, creative projects.
In Art Club, you will have the chance to:

- Develop your drawing, painting, and design skills
- Experiment with new styles, ideas, and media
- Work on both individual and group creative projects
- Express yourself in a relaxed and supportive environment

Art Club is all about imagination, creativity, and enjoying the process of making art. Come along and see where your ideas can take you!

Drama Coursework Drop In

The Drama Coursework Drop-In is here to support you as you complete your Year 11 practical and written work for final assessment.
This is an opportunity to:

- Get feedback on written coursework and improve analysis and evaluation
- Work collaboratively with peers to strengthen group pieces
- Catch up on any missing work and stay on top of deadlines

The drop-in is a focused, supportive space where you can gain extra help, build confidence, and ensure your coursework and performances are the very best they can be.

Choir

Join the Choir and be part of something special. Singing together is a fantastic way to build confidence, make friends, and share the joy of music.
In Choir, you will:

- Learn and perform a wide range of songs from different genres
- Develop your vocal skills, breathing, and harmony work
- Take part in school concerts and special events
- Enjoy being part of a supportive and creative group

No experience is needed – just bring your enthusiasm and love of singing. Choir is open to everyone who wants to have fun and make music together.

Rockband Club

Think School of Rock! Take centre stage and experience the thrill of making music as you try your hand at guitar, bass, drums, vocals, and keyboard. Team up with your peers to form your very own rock band, learn the basics of each instrument, and discover how to perform together as a group. You'll jam along to some of the most popular tracks, build confidence on stage, and get a taste of what it feels like to be part of a real band.

Composition Club

If you enjoy creating your own music, Composition Club is the perfect place to develop your ideas. Whether you are interested in songwriting, instrumental pieces, or digital music production, this club gives you the chance to explore and express your creativity.

In Composition Club, you will:

- Experiment with melody, harmony, and rhythm to create original pieces
- Learn how to use music software and notation tools
- Work on individual projects or collaborate with others
- Develop skills that can support GCSE and A Level Music coursework

Composition Club is all about imagination, creativity, and bringing your musical ideas to life.

Why Join in With Creative Arts?

Studying Creative Arts gives students the opportunity to explore their imagination, develop practical skills, and express themselves in unique and powerful ways. Through subjects such as Art, Textiles, Photography, Drama, and Music, students learn to communicate ideas, emotions, and stories beyond words.

The Creative Arts also build valuable life skills, including problem solving, critical thinking, teamwork, resilience, and confidence. These subjects encourage independence, innovation, and adaptability, qualities that are highly valued in education, employment, and everyday life.

Technology

Our technology clubs give you the chance to get creative, explore practical skills, and bring your ideas to life. Each club is hands-on, offering exciting opportunities to design, make, and discover new talents.

Design & Manufacturing

The CAD/CAM Club introduces you to the world of industry-standard 3D Computer Aided Design. The club offers an insight into the pathways available in Year 10 and 11, including Engineering, Building, and Construction.

You will develop practical CAD skills while producing a variety of creative projects such as lamps, phone holders, and birdhouses. Designs can then be brought to life through 3D printing or laser cutting, giving you hands-on experience of turning digital ideas into real products.

This club is ideal for students interested in design, technology, and problem-solving, as well as those of you who want to explore future career opportunities in engineering and construction.

DT

The Design and Technology department offers termly clubs based around seasonal activities, giving students the opportunity to take part in a wide range of creative and practical projects throughout the year.

These clubs reflect the time of year and may include activities such as baking, festive decorations, themed design challenges and hands on making projects. Each club is designed to be engaging and enjoyable while also helping students develop practical skills, creativity, problem solving and confidence in a relaxed and supportive environment.

English, Maths & Science

Our Science, Maths, and English Clubs give students the chance to build confidence and strengthen key skills in core subjects. These clubs provide extra support with homework, revision, and exam preparation while also offering opportunities to ask questions and explore topics in greater depth.

STEM Club

STEM Club is the place to explore Science, Technology, Engineering, and Mathematics in exciting and creative ways. It's all about curiosity, problem solving, and hands-on discovery.
In STEM Club, you will:

- *Take part in fun experiments and challenges*
- *Work on projects that bring science and technology to life*
- *Develop teamwork, creativity, and critical thinking skills*
- *Explore how STEM is used in the real world and future careers*

STEM Club is perfect for anyone who enjoys asking questions, investigating how things work, and coming up with new ideas. Come along and see where STEM can take you!

Science Home Learning Club

Need some extra help with your Science home learning or revision? Science Home learning Club is here to support you. This club provides a quiet, focused space where you can:

- *Complete home learning with access to resources and equipment*
- *Get guidance from Science teachers when you need extra support*
- *Revise key topics and prepare for assessments*
- *Build confidence in Biology, Chemistry, and Physics*

Science Home Learning Club is a great way to stay on top of your work, ask questions, and strengthen your understanding in a supportive environment.

Sparx Maths Club

Sparx Maths Club is designed to support you with your Sparx homework and to build confidence in Maths.
In this club you can:

- *Get help from teachers with any tricky questions*
- *Work through your Sparx tasks in a supportive environment*
- *Develop problem solving and number skills at your own pace*
- *Strengthen your understanding ready for lessons and assessments*

Sparx Maths Club is the perfect place to stay on top of your home learning, ask for guidance, and make steady progress in Maths.

Poetry Writing Club

Express yourself and explore the power of words in Poetry Writing Club. This is a creative space for students to experiment with language, rhythm, and storytelling.
In Poetry Writing Club, you will:

- *Write and share your own poems in a supportive environment*
- *Explore different styles, forms, and techniques*
- *Develop creativity, imagination, and confidence in writing*
- *Receive feedback to help refine your work and improve your skills*

Whether you are a seasoned poet or just starting out, Poetry Writing Club is a place to have fun with words, discover your voice, and enjoy the art of poetry.

Why study Science, Maths and English?

Science, Maths and English are core subjects that help students understand the world around them and prepare them for future learning, work and everyday life.

Science helps students understand the world, develop curiosity and build problem solving skills needed for future study and careers.

Maths builds confidence with numbers, logical thinking and everyday problem solving, supporting many career pathways.

English develops communication, reading and writing skills, helping students express ideas clearly and succeed in education, work and life.

Together, these subjects provide essential skills for the future.

Languages

At The Whitby High School, we believe learning languages opens doors to new cultures, new opportunities, and new ways of thinking. Our language clubs provide a fun and engaging way for students to practise speaking, explore traditions, and enjoy activities outside of the classroom.

Spanish Club

- *Practise the language through songs, games, and roleplay*
- *Discover Spanish-speaking cultures from around the world*
- *Gain confidence using Spanish outside of lessons.*

Spanish Club is a lively and engaging way to learn, share, and celebrate the language and culture.

German Club

- *Learn new vocabulary and phrases through interactive activities*
- *Explore German traditions, festivals, and history*
- *Develop your speaking confidence in a fun, informal setting.*

German Club is a great opportunity to expand your knowledge and discover more about life in Germany.

French Club

- Practise speaking and listening in French through games, activities, and conversations
- Explore French traditions, music, and food
- Build confidence with the language outside of the classroom.

French Club is a fun and relaxed way to boost your skills while experiencing the culture that makes France unique.

Why study languages?

Languages are more than just words. They connect us to different cultures, broaden our understanding of the world, and help us develop valuable communication skills. Being able to speak another language also improves memory, boosts confidence, and enhances career opportunities in today's global society.

Beyond The Curriculum

At The Whitby High School, we value clubs that go beyond the classroom.
Activities such as Eco Club, Volunteering, Warhammer, Dungeons and Dragons, and Debate help students develop new skills, build positive relationships and explore new interests.

These opportunities encourage teamwork, creativity and confidence, supporting students to become well rounded individuals.

Debate Club

Do you have an opinion to share? Do you enjoy discussing important topics and exploring different points of view? Join our Debate Club and develop your voice.
Together we will discuss and debate a wide range of issues, including:

- *Local Issues – Our Ellesmere Port community*
- *National Issues – News headlines and hot topics*
- *School Issues – How we can make positive changes to our school community*

You will have the opportunity to plan, research, and deliver your opinions, debating key topics with other students in a supportive environment.

By taking part, you will develop valuable skills such as:

- *Confidence in public speaking*
- *Critical thinking and problem solving*
- *Research and analytical skills*
- *Listening and respectful communication*
- *Building persuasive arguments.*

Debate Club is the perfect space to sharpen your mind, build your confidence, and make your voice heard.

Warhammer Club

Step into the world of strategy, creativity, and imagination with Warhammer Club.
Whether you are new to the game or an experienced player, this club is the perfect place to:

- *Learn the rules and play Warhammer in a fun and supportive environment*
- *Build and paint your own miniatures, bringing your armies to life*
- *Develop strategy, problem-solving, and teamwork skills through gameplay*
- *Share tips, ideas, and creative inspiration with fellow hobbyists.*

Warhammer Club is a chance to relax, socialise, and immerse yourself in a hobby that combines art, tactics, and storytelling.

Dungeons & Dragons Club

Step into a world of imagination, adventure, and storytelling with our Dungeons and Dragons Club.

Whether you're a seasoned adventurer or completely new, this is your chance to:

- *Create your own characters and embark on epic quests*
- *Work together as a team to solve problems, battle monsters, and explore new worlds*
- *Develop creativity, communication, and leadership skills through roleplay and strategy*
- *Share laughter, stories, and adventures with fellow players.*

Dungeons and Dragons Club is all about friendship, fun, and creativity. If you love fantasy, games, or storytelling, this is the place for you.

Wellbeing Drop In

Are you looking for a calm, supportive space to talk, reflect or simply take a break?
Our Wellbeing Drop In offers a safe and welcoming environment where you can focus on your mental and emotional wellbeing.

At the Wellbeing Drop In, you can:

- *Take time out in a relaxed, non judgemental space*
- *Talk to a trusted adult or trained staff member if you need support*
- *Take part in calming activities designed to reduce stress and build resilience*
- *Learn simple strategies to help manage emotions, worries and everyday pressures*

The Wellbeing Drop In is a place to feel heard, supported and understood. Come along whenever you need a moment for yourself or a bit of extra support.

Rainbow Club

Are you looking for a safe, welcoming space where you can be yourself?
Rainbow Club is an inclusive and supportive group for students who want to celebrate diversity, equality and acceptance.

As a member, you will:

- *Be part of a safe and respectful space where everyone is valued*
- *Take part in discussions and activities that promote understanding and inclusion*
- *Support equality and celebrate differences within the school community*
- *Build friendships and confidence while being yourself*

Rainbow Club is a place to feel accepted, supported and proud of who you are. Come along and be part of a positive and inclusive community.

The WHS Voluntary Action Club

Are you passionate about making a difference? Join our Voluntary Action Club and help create positive change in school and the wider community.
You will plan and take part in volunteering projects, work with school teams and local groups, and support the Ellesmere Port community. The club helps build teamwork, leadership and problem solving skills while giving something back.

Eco Club

Are you passionate about protecting the environment and making a difference? Eco Club is the place for you!

From January, we are taking on an exciting challenge as part of the Network for Nature Project with Chester Zoo. Together, we will:

- *Care for and improve our school environment*
- *Transform part of the school site into a thriving wildlife habitat*
- *Take action to protect and support local wildlife.*

Eco Club is a fantastic opportunity to get hands-on with nature, work on a big project with real impact, and be part of positive environmental change. Come along and play your part in making a difference!

Chess Club

Sharpen your mind and enjoy some friendly competition at Chess Club. This is the perfect space for beginners and experienced players alike.
In Chess Club, you will:

- Learn and practise strategies to improve your game
- Challenge fellow students in matches and tournaments
- Develop critical thinking, problem-solving, and concentration skills
- Enjoy a calm, focused environment where you can think ahead and plan your moves.

Chess Club is a great way to have fun, meet new friends, and strengthen your thinking skills – all while enjoying one of the world's most strategic games.

Period 6

Our Period 6 sessions are designed to give Year 11 and Year 13 students the extra time and support they need to succeed. These sessions provide a calm and focused environment where students can catch up on coursework, complete assignments, or revise for upcoming exams.

Staff are on hand during each session to offer guidance, answer questions, and provide tailored support to help students make progress and build confidence in their subjects.

Make the most of the extra hour – your future self will thank you!
