

Juiciness

What do you mean, “juiciness”?

- Polish, “fluff”
- Adding effects that are purely cosmetic
- “Look-and-feel”
- To a large extent VFX - but **you** need to **design for it!**

What is it good for?

- Providing feedback
- Making the game feel “alive”
- Worldbuilding
- Visibility of System Status

Super Mario Bros. (NES, 1985)

New Super Mario Bros. (Wii, 2009)
