Introduction

AdHd Transient Tool is carefully designed to shape and customize all transient dynamics to your liking.

Perfect for making your kick or snare pop out of the mix.

bringing life to dull percussion.

Available for

Windows VST 64/32 bit host compatible

Mac AU/VST 64/32 bit host compatible

Controls

Short description of the available controls of this plugin.

Attack

Add or remove volume to the beginning of a transient

Link

At 100% the loudest part of the two tracks in a stereo signal will affect both stereo tracks. At 0% the tracks in a stereo signal will only affect themselves. This control has no effect on a mono signal.

Length

The length knob controls the length of the added Attack or Sustain.

Gain

After adding transient shaping the volume might be too loud or too low. Use gain to adjust if needed. Check the visual overload representation for volume.

Sidechain High Pass Filter

Add a Highpass filter to the signal the transient tool is listening to.

Sustain

Extend or reduce the volume after a transient

End-User License Agreement (EULA)

This End-User License Agreement ("EULA") is a legal agreement between you and AdHd Audio Tools

This EULA agreement governs your acquisition and use of our Transient Tool software ("Software") directly from AdHd Audio Tools or indirectly through a AdHd Audio Tools authorized reseller or distributor (a "Reseller").

Please read this EULA agreement carefully before completing the installation process and using the Transient Tool software. It provides a license to use the Transient Tool software and contains warranty information and liability disclaimers.

If you register for a free trial of the Transient Tool software, this EULA agreement will also govern that trial. By clicking "accept" or installing and/or using the Transient Tool software, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software supplied by AdHd Audio Tools herewith regardless of whether other software is referred to or described herein. The terms also apply to any AdHd Audio Tools updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

License Grant

AdHd Audio Tools hereby grants you a personal, non-transferable, non-exclusive licence to use the Transient Tool software on your devices in accordance with the terms of this EULA agreement.

You are permitted to load the Transient Tool software (for example a PC, laptop, mobile or tablet) under your control. You are responsible for ensuring your device meets the minimum requirements of the Transient Tool software.

You are not permitted to:

- Edit, alter, modify, adapt, translate or otherwise change the whole or any part of the Software nor permit the whole or any part of the Software to be combined with or become incorporated in any other software, nor decompile, disassemble or reverse engineer the Software or attempt to do any such things
- Reproduce, copy, distribute, resell or otherwise use the Software for any commercial purpose
- Allow any third party to use the Software on behalf of or for the benefit of any third party
- Use the Software in any way which breaches any applicable local, national or international law
- use the Software for any purpose that AdHd Audio Tools considers is a breach of this EULA agreement

Intellectual Property and Ownership

AdHd Audio Tools shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. The Software (and the copyright, and other intellectual property rights of whatever nature in the Software, including any modifications made thereto) are and shall remain the property of AdHd Audio Tools.

AdHd Audio Tools reserves the right to grant licences to use the Software to third parties.

Termination

This EULA agreement is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time upon written notice to AdHd Audio Tools.

It will also terminate immediately if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.
