THE KITCHEN

Finally! From this Sunday we open anew our kitchen. It is redesigned and organized a bit better than before. We have a new kitchen island. Moreover – there is a waste sorting. We kindly ask every group using the kitchen to keep it always clean and ordered.

THE GARDEN

From the beginning of the spring we started to order our garden. There is still much to do. We want to open the garden for all who come to our church, especially for parents with their children. We kindly ask you for help. If anyone of you love to work in the garden, please, let me know (pr@jesuitterne.org). I would like to thank all who has already helped – thank you so much! <3

THE SMALL LIBRARY

In the kitchen beyond the chapel there is a new shelf. If anyone of you would like to share books you are very welcome. Everyone can use the library - borrow a book and after reading give it back. What kind of books do we collect? Especially the books about faith, Christian spirituality, some prose and other books for relax. Every book must be in quite good condition, of course. In what language? In English, Danish and Polish. How much books do we collect? Until we fill the shelf. The lowest part of the shelf is dedicated to the youngest

members of our church. "Dwa skrzydła" (the Two Wings) is responsible for these books. They will take care of them.

NEW ICONS

We have removed from the church the statues of St Ignatius of Loyola and St Francis Xavier which are not original designed for our church. In their place will come the icons of St Ignatius and St Francis made in the very same style like St Augustin and St Bridget which are located on the first pillars just after you enter the church. The icons are going to be made in autumn. We would love to bless them the 3rd of December, on the feast of St Francis Xavier SJ. The icons will cost 60 000 kroner and will be made by the polish artist from Edinburgh, Monika Walendziak. We will be very happy if you would like to support this project. To do so you can use our bank account:
