Warning

1. It is a high-precision product, do not fall or crash.
2. Do not expose the unit to strong magnetic objects, such as magnet and electrical motor. Avoid strong radio waves. Strong magnetic fields may cause the products breakdown or images and sounds damage.
3. Never leave the products exposed to high temperatures and direct sunlight.
4. Please choose branded Micro SD card. Neutral cards are not guaranteed to work normally.
5. Do not place Micro SD card near strong magnetic objects to avoid data loss.
6. In case of overheating, smoke, or unpleasant smell in the process of charging, unplug your device immediately to prevent the hazard.
7. While it is charging, keep the product out of children's reach. Power line may cause children accidental suffocation or electric shock.
8. Keep the device in cool, dry and dust-proof places.

Preface

This product is a high-definition digital motion video recording device tailored to market demand. It has a variety of industry-leading features including digital video recording, photos shooting, audio recording, video display and detachable battery, which makes it prefect for vehicle data recording, photo-shooting, outdoor sports, home security, deep-water probing, etc., allowing you to film at anytime, anywhere. And it has variety of patents.

1

Multipurpose

Product Features

>A water-resistant casing that allows you film fascinating water sports; water-resistant up to 30 meters under water.
>High definition screen that displays and replays fascinating videos record.
>Detachable battery that is easy to replace and prolongs your camera's service life.
>Video recording while charging.
>Video recording with battery.
>12 megapixel HD wide-angle lens.
>HDMI HD output.
>Web camera.
>Support storage cards up to 64GB maximum.
>Multiple video recording formats: 4K20fps/2.7k 30fps/1080*680 60fps/1920*1080 30fps /1280*720 120fps
>Recorded in AVI format.
>Multiple photo shooting modes: single shot, snapper.
>Video encryption enabled.
>Mini appearance, diversified colors available
>Open WiFi button within the menu, it will be more convenient to operate the machine by using a mobile phone.
