

# YOUR MINIMONY IN 8 STEPS.

## 1. WEAR SOME OF YOUR WEDDING OUTFIT

Maybe it's the new shoes, accessories or your lipstick but please keep the main outfit a secret.

## 2. HOLD IT OUTSIDE OR VIRTUALLY

Outdoor is the safest and social distancing is easily attainable.

## 3. LIMIT IT TO CLOSE FRIENDS & FAMILY

Keep it small & intimate.

## 4. PREPARE NEW VOWS

Don't use your original vows or speeches. Keep it short and sweet and get your celebrant to help!

## 5. GET A FRIEND TO TAKE THE PHOTOS

Keep the budget small and a good friend to take the pictures or a video.

## 6. GET A MINI CAKE & BOUQUET

Get creative; make your own cake and small bouquet.

## 7. CELEBRATE WITH A SMALL SOCIAL DISTANCING PARTY

Have sandwiches and finger food; nothing too fussy.

## 8. HAVE YOUR FIRST DANCE

Use your second favourite song & leave the real song for the sequel wedding.
