# TDSD – Test-Driven Systems Design™ - for software development

**Road map (WHAT)**

Q1 Q2 Q3 Q4 Y2:1 Y2:2 Y3 Y4

Initiative A	Initiative E	Initiative G	Initiative H	Initiative L
Initiative B	Initiative D		Initiative I	Initiative J
Initiative C	Initiative F			Initiative K
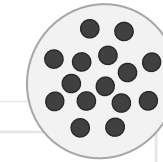

The Portfolio
(Strategical/tactical)

Unprioritized (WHAT)

HOW, HOW long time

Prioritized (WHAT)

Critical Path

Interdependency/delivery board

Systems designed architecture

+ Systems test

Initiative F

Prioritized backlog

Wholeness level
(Tactical/Operational)

Critical Path

Critical Path

Interdependency/delivery board

Interdependency/delivery board

Systems designed sub-architectures

+ Subsystems test

Prioritized backlog

Prioritized backlog
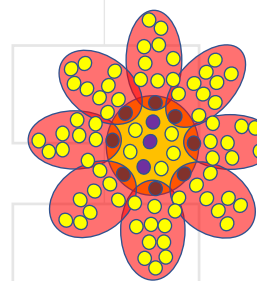

Team of teams level (Operational)
