- Press the button: Change the light show.
- Press and hold for 3 seconds: Turn off.
- Press again: Turn on.
- Twist the light to adjust the water flow and LED brightness.

MAINTENANCE

Store in a dry place when not in use.

DISPOSAL

Meaning of crossed-out wheeled dustbin:

Do not dispose of electrical appliances as unsorted municipal waste, use separate collection facilities. Contact your local government for information regarding the collection systems available. If electrical appliances are disposed of in landfills or dumps, hazardous substances can leak into the groundwater and get into the food chain, damage your health and well-being.

When replacing old appliances with new ones, the retailer is legally obligated to take back your old appliance for disposals at least free of charge.
