Odense D. 27.2.2018

Patricia Burgaya Madsen has been an intern at Natex for 8 weeks.

Here Patricia has been in the Design department, and finished all assignments with great satisfaction.

In her time with us Patricia has amongst other things done following:

Made a printlibrary with front and all overprint in Illustrator and Photoshop
Participated in photoshoot for our Main Spring collection
Customer assignments for our buying department

Patricia has been part of the design team with an open mind, and is a happy, creative, ambitious and smiling woman.

Med venlig hilsen/Yours Faithfully,
