February 2024

Dear Parents/Carers

Year 12 & 13 Parents & Carers Meetings
Thursday 29 February 2024, 4.00 - 6.30pm
Neuadd Y De (access via Reception)

You are warmly invited to attend school on Thursday 29 February to meet your children's teachers. The evening will be run on an appointments-only basis, so please contact your children's teachers via Class Charts to make appointments with them directly. Meetings will start at 4pm and the school will close at 6.30pm so all meetings will end at this time.

Attending this evening will give you an opportunity to discuss your children's progress with the members of staff who teach them. It will also give you and your children a better chance to work together with the school to ensure they are on track to achieve their potential. In addition to school staff, representatives from Careers Wales and the University of South Wales will be present to answer any questions you may have.

It is crucial that you attend this evening to support the school and to help your children. If you have younger children, you are welcome to bring them along to alleviate any difficulties you may have with childcare.

The main car park is not open for parents and carers, so when parking in the community, please do so safely and in appropriate areas, not on any 'zig-zags', yellow lines or pavements, or overlapping driveways.

We look forward to seeing you on 29 February.

Yours sincerely

MR G JONES
Head of School
