

# Would you like to join us as a Trustee?

Centre for Deaf and  
Hard of Hearing People

## Details of role:

CfD (Centre for Deaf and Hard of Hearing People) has a rich history going back some 130 years in Bristol. Having survived a difficult period financially, a new board of trustees and staff team are working hard to bring the Centre back to what it did best....representing and supporting the Deaf and hard of hearing population of Bristol and beyond.

We are looking for new trustees to join us at this exciting time of re-development. We currently deliver an Equipment Service and our Deaf People Together community development project, both funded by Bristol City Council. Our current trustees and staff team are working hard to explore new opportunities and to develop new projects that bring us closer to achieving our vision of making Bristol a Deaf-friendly city.

## What kind of experience are we looking for?:

We are looking for people who can help CfD Board, staff and community build their knowledge and skills in any of the following areas:

- Financial expertise
- HR expertise
- Charity Fundraising
- Social investment
- Business management expertise

We are eager to increase and enhance the skills and diversity of our trustees and would welcome applications from people across our communities.

## How to apply:

If you are interested in becoming a trustee we would like to invite you to an informal discussion prior to making an application. To make this arrangement, please contact CfD at:
