Glass Door Merchandiser Series Freezers

Durable Design

- Modern & attractive appearance for any kitchen, C-Store, service station, etc.
- Black exterior baked enamel steel finish
- White interior baked enamel steel finish
- Interior base in stainless steel finish
- Heavy-duty polyethylene coated adjustable wire shelves
- Locking glass doors are ergonomically designed and self-closing with easy grab handles
- Plastic upper sign panel with lamp

Energy Efficient

- Entire cabinet structure engineered to the highest standards
- Built using foamed-in place high density CFC-free polyurethane insulation
- Unique triple pane heated glass doors with a layer of patented, transparent thermal insulating film applied between the glass layers
- CFC-free refrigerant with R-404a gas
- Magnetic door gaskets of one piece, providing a tight and efficient seal
- UL Approved and conforms to NSF 7 standards.

Superior Quality

- Positive air flow throughout with forced air movement throughout entire cabinet
- Freezers hold -10°F. for optimum storage & preservation of foods
- High efficiency evaporators with oversized condensing units on all models
- Digital temperature readout display with electronic thermostatic control
- LED interior lighting for total product display
