- Signature on any contract or agreement

In addition, we may ask to collect the following special category information:

- Health information (if applicable and with consent in order to safeguard the individual whilst they undertake duties)
- Ethnicity, Gender/sex, sexual orientation, religion and disability details

Our legal basis for collecting and using this information is consent, but where we collect vetting information/safeguarding checks this is on the basis of our Legal Obligation to safeguard children and young people. Companies we contract are asked to complete safeguarding checks which include assurances that individuals they employ, who will be working with children aged 16 years and under in the Society, have been vetted in accordance with our legal obligations to safeguard children and young people. If Individuals working directly with children aged 16 years and under are not vetted we may complete vetting checks ourselves and ask individuals to provide vetting information for this purpose.

We will keep your contact information whilst you are working for/with the Society and remain interested in working with us in the future, which can be up to 20 years as deemed necessary or appropriate (as detailed in our retention schedule). We keep Health details collected and any production specific consents and agreements signed for the duration of the production they relate to and up to 6 months afterwards.

Contracts of hire/employment are kept for up to 7 years (as detailed in our retention schedule).

Safeguarding check agreements are kept for as long as the individual named is working for/with the Society but are reviewed annually (as detailed in our retention schedule).
