

## DEAR FAMILY AND FRIENDS

Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you (James 1:27 NLT). Our faith is revealed through compassionate action, particularly in caring for those who are vulnerable, such as orphans and widows. We are called to live beyond mere religious rituals—our lives should reflect tangible, selfless love, while we also stand firm against the corruption and compromises of the world.

This month, our hearts are overflowing with thanksgiving and joy, and we're thrilled to share some wonderful news about our beloved spiritual daughter, Kalpana!

Kalpana came to us from Makwanpur, about a 7-8 hour bus ride from Kathmandu. She was just seven years old when she first arrived at Mahima Children's Home, where she lived for 16 years. During that time, she grew spiritually and physically, and she received a solid education. After completing the 10th grade, she stepped up to help the younger girls and taught Sunday school at the Phutung fellowship. Later, after finishing her 12th grade, she continued to serve at the

children's home, always helping and leading by example. Kalpana truly blossomed into an extraordinary woman of faith and service, just like many of our spiritual children.

In the past few years, Kalpana moved back to Makwanpur and has taken on an active role in her local church. Today, she runs her own beauty shop — a testament to her hard work and dedication! And by God's amazing grace, she has also completed her studies and recently entered into the beautiful covenant of marriage!

As we reflect on her incredible journey, our hearts are deeply moved, and we stand in awe of what the Lord has done in her life. Please join us in thanking God and in praying for His continued blessings and favor over this new chapter in Kalpana's life.

Kalpna is one of the children who grew up at the children's home. We continue to make a difference through children's homes in Kathmandu, Dolakha, and Bhojpur. Our mission is to take care of orphans, rescue girls from trafficking, educate and bring them to Jesus through these three children's homes.

I know you don't hear from me often, and I'm in a season of my life where I deeply appreciate your prayers. The school of ministry and church planting continues, and for more info, follow us on social media and our website as well.

Prayer request: Please keep all the children in children's homes and the staff in your prayers.

Thank you so much for your continual partnership through prayers and contributions to take care of these kids.
