

Some Handbooks to make good for MCH Handbook in Japan

Akemi BANDO

Secretary general of

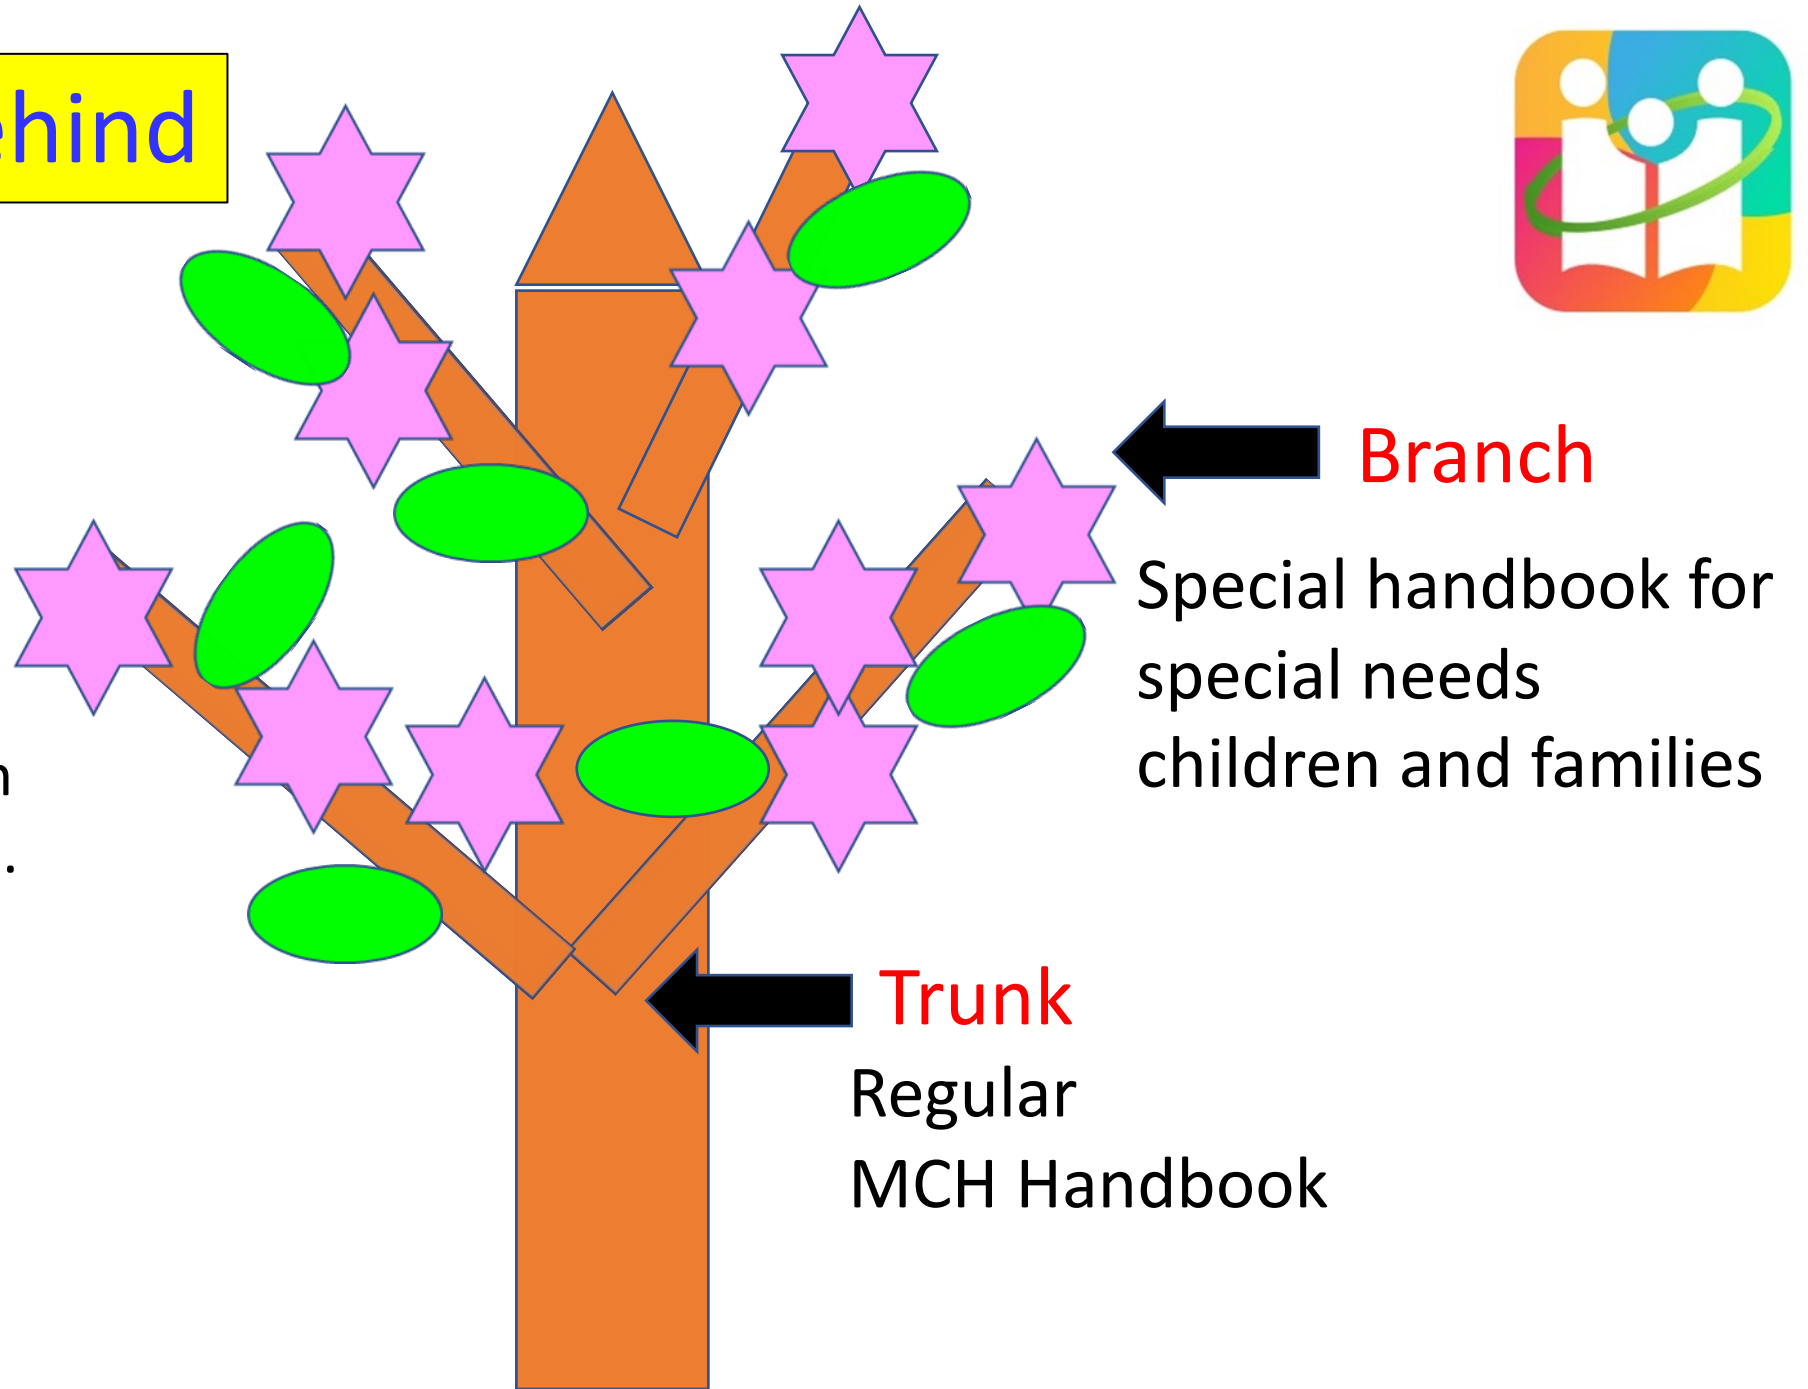

International committee on MCH Handbook

4th Webinar on 4th Nov.2021

No one left behind

It is very difficult for special needs children and Families to use only one MCH Handbook to provide suitable knowledge, Information and write health record.

Especially the families need mental care, too, to read experienced families messages.

All You Need to Know About Twins

: Pregnancy . Birth . Childrearing support guidebook

by Futagotecho Project

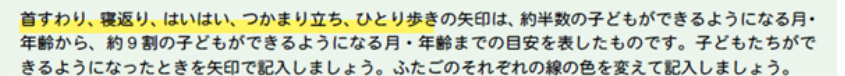

多胎のマタニティカレンダー

How are twin births and pregnancies different from single birth?

Provide enough knowledge and information

男の子 乳児成長曲線（ふたご用）

[illegible]

by Futagotecho Project

【How to make this handbook?】

Evidence-based information

Analysis of responses from a questionnaire survey containing data from the Maternal and Child Health Handbook provided by 565 mothers of multiple fetal nationwide

Information that has been made public so far

Experiences and knowledge of people who have been involved in multiple birth support

People, hospital, clinic and Local government can buy.
1 pieces is 1,000JPY

by Futagotecho Project

Little Baby Handbook

Made by
local
governments

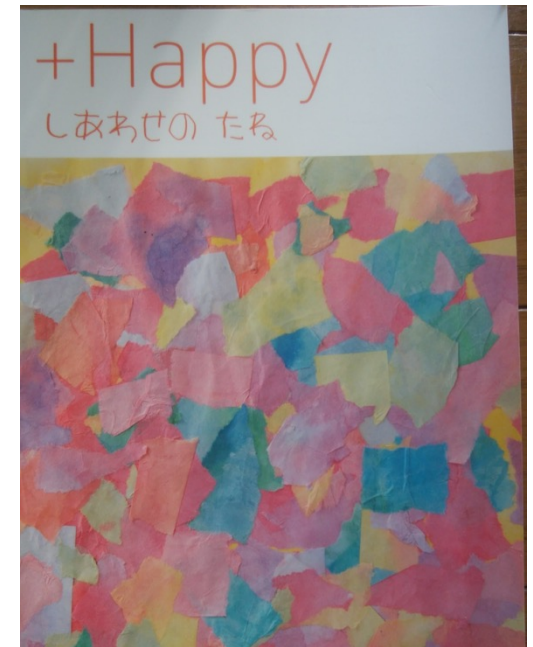

- Each local government organize committee to consider the content and system how to use etc.
- The committee include medical staff, public health staff and family who take care the low birth weight baby and child and others.
- Neonatal intensive care unit (NICU) staff to hand this to family, who delivered under 1500g babies, who are 0.7% of all delivery in 2019 Japan.
- Health record, Knowledge, information and message by experienced families.

Child Rearing Handbook for Down Syndrome

“+Happy – The Seeds of Happiness”

- Made by Public Interest Incorporated Foundation (PIIF) Japan Down Syndrome Society
- Free of charge
- Any people can get it to pay postage only
- Some local government get and hand the families, who take care Down Syndrome baby and child

Main contents are messages, knowledge, information by experienced families.

Translated to English
