

## Outline of the route

One of our longer walks, this route passes through varied countryside between the villages of Hodnet and Fauls.

It starts at the Lyon Hall's car park (free parking).

Leave the car park and head up Hearne Lane. Cross a stile on your right then walk up the field, past some pools on your right, to cross another stile and join a farm track heading towards Long Lane. En-route enjoy good **views** of the **North Shropshire countryside**. After crossing Long Lane, enter a field and, keeping the hedge on your right, look for a stile at Point 1. Here, bear left across the field and walk to the far end to cross a bridge over a brook. At Field Farm walk down its driveway to a stile on your right, then pass through two fields to reach a small lane. Cross this lane and continue towards Wood Lane. Now walk part way down Woodside's drive, cross a stile and head for Point 2. Here, take the path to Fauls Farm, which soon becomes a farm track. On this stretch you'll enjoy great **views** of the **Hawkstone** and **Welsh Hills**. At the farm, turn right to Fauls and head for its pretty churchyard.

To return the short way, walk up the road to a kissing gate on the right, follow the footpath to Point 2 and then return to Hodnet. Alternatively, you can walk further along the road until you reach one of two footpaths that lead towards Moat Farm, at Point 3. Here cross Wood Lane and follow the footpath to Point 1, then return to Hodnet.

## Welcome to Hodnet

This leaflet is one of a series intended to help visitors and residents walk some local paths, highlighting features of interest en-route. Some walks connect to others—see maps.

If visiting, please consider supporting some of our local businesses and visitor attractions see [www.hodnet.org.uk](http://www.hodnet.org.uk) for details. Details of other walks, and information on Hodnet Footpath Group, can be found at [www.hodnet.org.uk/fpg](http://www.hodnet.org.uk/fpg)

When out walking, may we remind you to:

**Close gates after use**

**Not leave litter**

**Keep dogs on a lead near livestock, and clean up after them—dog faeces can spread diseases**
