

Activities of Douzelage Holstebro 2017-2018

Hobby Education, Agros in august 2017

A team of 7 students went to the great workshop in Agros, Cypres with teacher Lene Larsen. They had a great time with lots of activities and new friendships were made.

Making Waves, EU seminar in Riga in October 2017

Ms Mette Sorensen and Mrs Jette Hingbjerg participated in an EU workshop/seminar in Riga as two of only five Danish delegates. Making Waves aims to establish contacts and develop ideas for future cooperation of Baltic Sea Region countries within the EU Europe for Citizens Program. The aim is to create partnership possibilities between participating organizations and provide in depth knowledge about Europe for Citizens Program. Besides Denmark there were participants from Latvia, Poland, Sweden, Lithuania, Estonia, Finland and Nederland. We had the opportunity to talk about Douzelage and Irena Mateliene from Rokiškis in Lithuania, was particularly interested. As You all know, the outcome is that Rokiškis now is suggested as our new Douzelagemember from Lithuania.

50 participants from 8 countries getting new knowledge

Seminar/Workshop “Non-formal learning – The Danish model” in October 2017

In October students and teachers from five towns gathered in Holstebro for a packed 4 day programme. Participants were introduced to different forms of non-formal learning and had the opportunity to see some of the new project for young people in Holstebro and to see some of the sights in the area.

Making friends.

Good old Danish “hygge”, Coffee, cake and new friends.

Cezary holds a sign saying. "Will be back in a little while"

- We hope so!!
