Pallet and Divider washing with Handling System

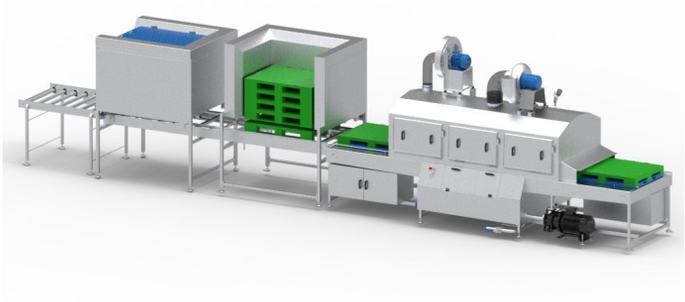
Pallet stacking

Complete Pallet and Divider Washing System



Divider stacking

Echberg Manutech transfer ideas into daily washing of egg trays

- Washing capacity is 150 Pallets or Dividers per hour
- Combi washing designed for pallet and divider with stacking options
- Washing system for high level of hygiene and cleaning with extra disinfection zone
- Saves manpower and increases productivity
- Good flexibility in production design due to small footprint and high capacity
- We cooperate directly with your service organization to ensure fast service

We make your choice easy
