

## INTRODUCING OUR LINE OF PREMIUM, REUSABLE DRINKING STRAWS

Our straws offer a sustainable solution to the global plastic pollution problem. They are made from a unique wood and plant-based material that biodegrades into CO<sub>2</sub>, water, and biomass, without leaving behind permanent microplastics or other toxic residues.

# PRODUCT DATASHEET

## OSB 6x200 D350 - Slim Straw 6mm (Black)

### PRODUCT INFORMATION

Product:	OSB 6x200 D350 (SKU: OSB 6/200)
Colour:	Black
