(Revision 00 : 04/05/2025)

SABERT EUROPE
Rue de l'Industrie, N°4
1400 NIVELLES
Belgique

Hereby declare that the products mentioned below:

Code Sabert EU	Description
PAPBOTM2417	KRAFT Beverage On The Move 2,8L / 96 oz

The bag in the aluminum foil box is divided into two layers, the outer material structure is NY+AL+PE, the inner material is PE, the contact liquid is the inner membrane PE (with barrier function).

Comply with following regulation :

- **1935/2004** : Regulation (EC) of the European parliament and of the council of 27 October 2004 on materials and articles intended to come into contact with food and its amendments.

In the following condition of use:

- All aqueous and acidic foods and alcoholic foods up to an alcohol content of 20 %
 - Suitable to be used at refrigerated temperature 0°C and at max 100°C
 - Not suitable for microwave/conventional oven
- **10/2011** : commission regulation of 14 January 2011 on plastic materials and articles intended to come into contact with food and amendments:
The products comply with the overall migration limit of 60 mg/Kg or 10mg/dm² in following conditions of test.

Test conditions:

- 4h - 100°C - Acetic acid 3% (simulant B)
- 4h - 100°C – Ethanol 20% (simulant C)
- Ratio surface / volume : 2 dm²/100ml

No substances subject to Specific Migration Limit (SML) nor dual used additives are used.

- **2023/2006/CE** commission regulation from 22/12/2006 on good manufacturing practice for material and articles intended to come into contact with food.
- **US FDA 21 CFR Part 177.1520 Olefin polymers**

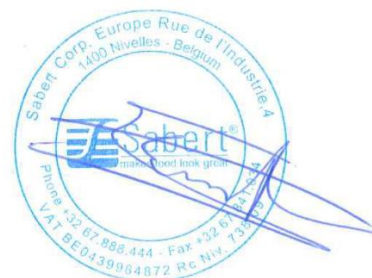

- **94/62/CE** directive of the parliament and the council from 20/12/1994 on packaging and packaging waste
 - Concentration level of heavy metal <100ppm
 - No dangerous substances identified
 - Waste management: recycling with paper waste stream or recovery as energetic source (in an approved incinerator).
- Free of BPA and PFAs

Shelf life: 2 years under ideal storage condition: dry, ambient temperature (8°C up to 25°C), in original packaging, not exposed to light.

According to the European legislation in force, this is the responsibility of the end user to verify the technical suitability of the product for his specific intended use.

This letter replaces all previous versions.
Valid two years.

This declaration is done for **Eco Engros AS**
