Jonathan Cahn's Kabbalah and preaching of the anti-Christian false global revival

NOTE ❤️

The following warning article is written out of love for the Jews - God's chosen people and for all others who are deceived by the liar. We pray that Jesus gives us love for the truth above all else, to understand and be saved. Anyone who has received the true Biblical Jesus (as it is written in the Bible and without the distortion of human teachings) knows that there is NO experience in this world that can compare to that peace and joy which peace with our Creator God gives. Only by grace.

! *He calls himself "Rabbi" and spreads the teachings of Kabbalah and New Age inauguration terms*

The preacher Jonathan Cahn, who calls himself "Rabbi" (teacher) (in contrast to God's Word, read Jesus in Matthew 23:8-11), is known for his many books with sensational titles where he constantly searches for the "MYSTERIES", i.e. the hidden meanings, codes and dates in the Bible - through interpretation according to the Kabbalah (see images below).

The "MYSTERIES" are the typical teachings of Kabbalah, Occultism and Gnosticism, which therefore produce interpretations that are not supported by the Holy Scriptures (The Bible). Gnosticism is heresy because, according to God, in God's Word we get everything we need (2 Peter 1:3).

In the video on the image below, we see Jonathan Cahn preaching new revelations about the Bible from an extra-biblical source, "Zohar".

The Zohar (Hebrew: זוהר, lit. "Splendor") is the foundational work of the literature of Jewish MYSTICAL thought, known as the Kabbalah. This is a group of books that includes commentaries on the mystical aspects of the Torah (the Pentateuch) and material on mysticism, mystical COSMOGONY and on the mystical psychology of the "SELF".
(<https://en.wikipedia.org/wiki/Zohar> - <https://en.wikipedia.org/wiki/Cosmogony> Cosmogony).

If Jonathan Cahn is the born-again Christian he claims to be, he should clearly condemn the occult Zohar/Kabbalah. He should not quote from it, except to condemn it.

But J. Cahn is very ambiguous about this.
The titles of his books are the same of New Age- and occult books.

Jonathan Cahn uses words/terms from the New Age and "Word of Faith Movement" that originates from New Age, where MAN and human techniques are exalted:

"COSMISC"

"The Mystery of the COSMIC Gardener"

The similarities cannot be explained away!

"The SURE KEY to getting you MIRACLE"

"THE SECRET OF GREATNESS"

"The SECRET of GREAT PEOPLE"

"The FOCUS FACTOR & Your SUCCESS"

Any "similarities"?

Below is a picture of William Branham with the same hand sign... He was deeply involved in the occult and is still today exalted by many within the Faith Movement and its NARians - they all have their roots in William Branham's teachings "Latter Rain/Manifest Sons of God/Doctrine of the Five-Fold Ministry" (The doctrine of the Fivefold Service/Ministry).

Anyone WONDERING where Jonathan Cahn got this from?

"THE SECRETS OF THE KINGDOM " (= heresy "Kingdom Now")

presenteras manifest för New Age New World Order (enligt Alice Baileys egna ord i boken, på sidan 102), som är i linje FN:s globala utvecklingsmål - Agenda 2030. Inte förvånande då Ockultism-organisationen "LUCIS Trust" grundat av Alice Bailey har nära samarbete med FN.

Is the manifesto presented for the New Age New World Order (in Alice Bailey's own words in the book, on page 102), which is in line with the UN's global development goals - Agenda 2030. Not surprising since the Occult-organization "LUCIS Trust" founded by Alice Bailey works closely with the UN.

In the book A. Bailey says:

*"... the writing and distribution of the occult teachings

These will serve (when the war is over)
to lead humanity forward and nearer

*" There is no question therefore that
the work to be done

is of paramount importance at this time.*

These MYSTERIES
will be restored to outer expression
through the medium of the Church and the Masonic Fraternity,

When THE GREAT ONE comes with His disciples and initiates
we shall have (after a period of intensive work on the physical plane beginning

! The teachings of the Zohar about the resurrection flowing out of the skull of the Kabbalah's Gulgathah

Following text is copied from the article:

<https://www.thebereancall.org/content/april-2013-book-feature>,

which analyzes Jonathan Cahn's sermon titled "Gulgatah: The Cosmic Skull: The Rabbinic Mysteries V."

A segment at the end of the message was uploaded to YouTube on February 25, 2010, under the title "The Zohar Speaks".

Jonathan Cahn presents, in this section of the above sermon,

The Zohar of Kabbalah as a source of truth to be used to interpret the Bible:

"Incredible thing. Blew me away. I found it in the MYSTICAL Jewish writings of the Zohar. Something I never heard mentioned anywhere, ever. . . .

The ZOHAR speaks, the RABBIS are writing of the redemption of the world with Messiah's coming.

[False Messiah - Anti-Christ]

They speak of life from the dead. They speak of resurrection, the redemption of the world. . . .

They say it all will come, the power of all this, the miracle of all this will come

from a sacred THING, a sacred PLACE.

And this place, this thing, is where all the mercy of God is stored. All the mercy of God pours out from this place, this thing.

What is it? Very strange. They call it the "Gulgatah." This holy, MYSTICAL thing. . . .

The most famous scene in human history, the center of salvation. Messiah dying on that hill which appears as a skull. That's why they called it "Gulgatah" - Golgatha. And which signifies God's mercy. All His mercy.

Why on earth would the rabbis put it there? Makes no sense at all—except that God just puts it in."

In other words, according to Jonathan Cahn, God inspired the rabbis to write about childbirth arising from a SKULL. This is the false doctrine of salvation that J. Cahn propagates, i.e. the occult Zohar doctrine which states that the resurrection proceeds from the skull on Calvary (see the images below from a Kabbalistic site that has many similarities to Jonathan Cahn's message). This is very serious and antichrist.

kabbalahstudent.com

The Zohar explains Golgotha.

Golgotha is the spiritual realm in the Ten Sephirot (Tree of Life) — the hidden dimensions that we call the 99%. It is called the "skull" because it is to be found at the very top and head of the spiritual worlds. It's that simple. The Zohar uses the word Golgotha (skull) to denote the highest dimension of the Tree of Life, the Ten Sephirot, and the Zohar used metaphors like Golgotha (skull) to keep the wisdom secret and simple at the same time. The word leaked out into the mainstream, after Jesus had used it to explain the Tree of Life and the workings of the upper concealed heavens, but the Christian Fathers did not know why Golgotha was used. They took it literally.

So, these hidden dimension also contain a realm called *Akita Kadisha*, the place where the *dear* comes from to resurrect the dead.

Akita Kadish is also part of the dimension called *Golgotha*!

They are found in the same place on the Tree of Life.

The Zohar has many sections that are actually called *Golgotha*.

In even simpler terms, *Golgotha* refers to the 99% reality. *Golgotha* was never about a physical location. It's about a spiritual dimension.

The reason that the literal story of *Golgotha* speaks about Jesus's death and resurrection is because the Zohar says *Golgotha* and *Akita Kadisha* are the place where we resurrect everything that has died in our life. Whether it be happiness, health, a relationship, a business, or peace of mind, if we lost it, it's because it died. If you want it back, you must "resurrect it" by connecting yourself to the realm called *Golgotha*.

How we make that connection is what Kabbalah is all about.

Rav Isaac Luria teaches only through *repentance* (inner change, and not by saying I'm sorry) can we reconnect to resurrect our happiness and resurrect what ever has died in our life. When enough individual people reconnect, then the gates of the 99% will open wide enough so that even the dead will resurrect and immortal existence (Messiah) will

A GREAT SECRET ABOUT GOLGOTHA, THE ZOHAR AND JESUS

BY BILLY PHILLIPS - MAY 8, 2016

This week's Torah portion of *Emor*, according to the writings of Kabbalist Rav Isaac Luria and the Zohar, reveal the secrets of *Golgotha* and the resurrection of the dead.

Golgotha is the place where Jesus was said to be crucified. Except Christian scholars and all the early founders of Christianity admit that the word is an Aramaic word and that they have no idea where *Golgotha* is or why this word was used for the whole idea of Jesus's death and resurrection. Even the New Testament makes a point of telling us that *Golgotha* is an Aramaic word which means *the place of the skull*.

The Catholic Encyclopedia admits that every theory about the meaning and mystery of *Golgotha* that has been proposed throughout history is either:

He goes beyond what is written in the Bible and teaches - just like the Mystique of the Kabbalah (Zohar) - that one can find new interpretations of the Bible, inspired by the Kabbalah ancient writings of the Rabbis.

The empty carnal language of mysticism becomes clearer in the rest of the "sermon", where he mentions nothing about the holiness of Jesus Christ and nothing about the Holy Scriptures, and where J. Cahn says several times, in a very ambiguous way,

that "God's light" emanates from "Gulgatah", i.e. from the skull, and that when you touch it the dead come to life again. The Cult of the Skull (as J. Cahn explains above) is very reminiscent of Catholic Mysticism and of the Occultists' description of Lucifer by Theosophists Alice Bailey and Helena Blavatsky:

*"In the **Gulgatah** – Golgotha - sit thousands of myriads of worlds.
And from the **Gulgatah** drips dew and fills . . .
the dew fills the world and **THE DEAD will awaken in the WORLD TO COME** as the dew comes forth.
The dew is **the light of THE Ancient one**. The light of the ancient one comes from Golgotha and as it touches—the dead ones come to life. From Golgotha is the light of God bringing life from the dead. Golgotha—the radiance of God which brings life. Whoa! That's amazing stuff. And that may be the first time it's ever been said. 'Cause you have to be a believer and you have to be in that stuff."*

Cahn speaks according to the spirit of the world. The "world to come" he speaks of is the New World Order that this world is planning (in line with the "Kingdom Now heresy") - in contrast to the Biblical Jesus who talks about a SPIRITUAL Kingdom that does NOT follow the world.

In the rest of the message, J. Cahn elevates the rabbis to the level of Moses and Daniel of the Bible:

*"And now the very hill, the very place, here in, of all places, the rabbinical writings, the Zohar. . . .
you want mercy, you go there.
Listen to the rabbis on this point. . ."*

How can a pastor instruct his congregation to "listen to the rabbis" who produced the Zohar and tell them these rabbis were inspired by God?

The Zohar is an extra-biblical occult guide that spreads the Luciferian message of the New Age.

In Deanne Loper's article on her website <https://www.kabbalahsecretschristiansneedtoknow.com> it is explained, regarding the sermon quoted above, that J. Cahn preaches about the "redemption of worlds" coming from the dew of "Gulgatah", which he calls "the centre of everything and of God's mercy".

She explains that in Kabbalah occultism, the word "**Galgalta**" represents the skull of "Keter", the crown and the first emanation of "Ein Sof" (more details in the aforementioned article by Deanne Loper)
Jonathan Cahn actually revealed a Kabbalistic mystery where he told the congregation members that the Kabbalistic "Galgalta" (the head and crown of Keter at the top of the Sefirot tree) is the same place as Calvary, the hill of skulls where Jesus Christ was crucified.

Herein lies the mystery of "the redemption of the worlds" that drips from Galgalta:
Galgalta is the head or crown of the serpent god of Kabbalah, the skull of Keter, the penetrating light of Leviathan, the mystic force of (false) redemption, the VAV.

In the Kabbalah, the letter "VAV" also represents the "divine" (=demonic) light of the Serpent Leviathan.

In the Kabbalah, the letter VAV also plays a prominent role in the name of the future Mashiach (false messiah Antichrist/Satan incarnate for whom the unconverted Jews and occultists are awaiting).

Both the future redemption and the name of the false Messiah are calculated around the seven-year jubilee cycles of the years of the Shemitah and based on an occult prophecy which states that the letter VAV will be added to the name of the false Mashiach.

According to the Zohar on page 119a of Vayera: Israel's (Antichrist's) redemption will be through the mystical power of the letter Vav. The letter VAV coincides, according to the Kabbalists, with the number 666.

! *"The Harbinger" and references to the New World Order, Freemasonry and Helena Blavatsky's Theosophy*

(The following text is translated, with changes, from the article on spiritual discernment

<https://www.discerningtheworld.com/2015/07/15/why-jonathan-cahn-and-his-revelations-must-be-ignored/>)

In his book "The Harbinger", Jonathan Cahn identifies America as a replacement for Israel, a "New Israel". He says in his book:

The Prophet (Jonathan Cahn): *"But there was one other—a civilization also conceived and dedicated to the will of God from its conception . . . America. In fact, those who laid its foundations . . ."*

Noriel Kaplan: *"The Founding Fathers."*

The Prophet: *"No, long before the Founding Fathers. Those who laid America's foundations saw it as the new Israel, an Israel of the New World. And as it was with ancient Israel, they saw it as in covenant with God."*

This is unbiblical.

Jonathan Cahn is claiming that the Pilgrims (America's founders who were Puritans – Calvinists) constituted America to be in a covenant relationship with God like Israel is in a covenant with God. This is obviously unbiblical.

He claims that America replaces Israel as the new Israel for a New World...Order.

But it is written in the Bible that Israel is the only covenant relationship with God that was established nation in a through Abraham. Occultists and unbelievers (the Spirit of the World, according to the Bible) cannot stand the fact that Israel is God's chosen nation and they will do anything to replace Israel, literally and spiritually.

Jonathan Cahn in the book "The Harbinger" (pp. 61, 109) praises and supports the similarity between King Solomon of Israel and Washington, the first president of the United States.

George Washington was a Freemason and the "God" he referred to was Lucifer, not the God of the Bible. The Freemasons are obsessed with claiming Israel for themselves. Freemasons also worship King Solomon who they believed to be the greatest MAGUS (sorcerer) of all time. Jonathan Cahn makes a very occult connection here.

Occultist Lon Milo DuQuette, in the book

"The Key of the Keys of King Solomon – This is the lost symbol of freemasonry" (second edition) writes:

*"The purpose of Masonry's veneration of Solomon is not to advance an alternate view of history, but to present, however subtly, the archetype of **THE FUTURE HUMAN BEING** - men and women who truly possess Solomon's KEY — THE POWER to master our own demons and redirect their destructive energy to build the Temple of OUR OWN evolving soul."*

Lon Milo DuQuette is an occultist author, who also calls himself "Rabbi", and who has been a national and international governing official and "Grand Master" of the "Ordo Templi Orientis", the fraternal occult society founded in the early 20th century and as Aleister Crowley was a member of. DuQuette is also the archbishop of "Ecclesia Gnostica Catholica", the "ecclesiastical" arm of the O.T.O., also known for Aleister Crowley's participation (Wikipedia).

Notice the image from the website "The Return" by Jonathan Cahn (which preaches of a NON-biblical great "global revival" in the end times), The New Age term that advertises, similar to the occultist's quote above:

"ONE NEW MAN"

The word "HARBINGER" in the title of Jonathan Cahn's book refers to someone or something that announces an imminent event (Forerunner).

It is interesting to note that the spiritualist Helena Blavatsky (founder of Theosophy) often used the term "HARBINGER" (=messenger, announcer) in relation to Lucifer, as in the blasphemous quote below, from her book "The Secret Doctrine":

*"In this case it is but natural
– even from the dead letter standpoint –*

*to view SATAN, The SERPENT of Genesis,
As..... the real creator*

*For it is he who was the "HARBINGER of Light"
.... Lucifer..."* (p. 243)

Occultists/Spiritualists - who want to put themselves in the place of God - want to promote the New World Order described in Alice Bailey's occult books (see her book "The Externalization of the Hierarchy", page 102) in cycles of 7, because 7 is a "MAGICAL" number within occultism.

Christine Lagarde, former director of the "International Monetary Fund" (IMF), says - in her speech on January 15, 2014 - that the number 7 and the cycles of 7 are important.

After wishing everyone a belated Happy New Year, Christine Lagard delved into "Lunar New Year"-territory before launching into a strange series of references to "NUMEROLOGY" and recurring references to what she called the "MAGIC number" 7. She delved into the language and terms of the occultists (see images from the video with the subtitles of her speech).

between our Western New Year and the
Lunar New Year which will loom

It is then interesting to note that Jonathan Cahn's book "The Mystery of the Shemitah" is from the same year as Lagard's speech, i.e. 2014.

Jonathan Cahn uses the same language as the occult world to deceive millions of unsuspecting Christians into believing it is God's timing and God's hand, when in reality it is Antichrist timing and plan.

Jonathan Cahn appears on the TBN TV-program of the false anti-Christian New Age-preachers of the "Word of Faith Movement" such as Benny Hinn, Kenneth Copeland and others - and there he preaches a sermon that follows the spirit of the world, with the title:

"GOD OF ALL NATIONS" (...UNITED NATIONS ?)

But it is written in the Bible that God is NOT the God of all peoples, he is not the God of this world.
Satan is the god of this world (for a short time established by God):

*"whose minds the god of this age has blinded, who do not believe,
lest the light of the gospel of the glory of Christ, who is the image of God,
should shine on"*
2 Corinthians 4:4

Jesus says:

*"Now is the judgment of this world; now the ruler of this world will be cast out.
And I, if I am lifted up from the earth, will draw all peoples to Myself."*
John 12:31

! Preaching on "The Alpha Light" and Luciferian doctrine

In Jonahan Cahn's preaching dated 12/30/2014, he says the following:

"From the beginning of creation to the incarnation and the resurrection – it all begins with LIGHT. And not just light, but the "ALPHA LIGHT". It is the alpha light that has the power to change everything. Learn the SECRET of using the Alpha Light in every circumstance to change everything."

So who is this "Alpha Light" that Jonathan Cahn is talking about?

NOTE: The Bible says about God:

"I am the Alpha and the Omega, the Beginning and the End, the First and the Last." Revelation 22:13

Jesus is complete, He is both Alpha and Omega. He was with God in the beginning and will be with God in the end. Jesus is the beginning and the end. The Bible does NOT say that God is the "Alpha Light".

J. Cahn also says:

"From the beginning of creation to the incarnation and resurrection, everything begins with light."

This is a lie, it all started with the Word. The Bible says:

"In the beginning was the Word, and the Word was with God, and the Word was God." John 1:1

Who then is this Alpha Light that was there in the beginning, according to Jonathan Cahn?

The Bible refers to Satan as an "angel of light" in 2 Corinthians 11:14-15.

Lucifer is a Latin word meaning "light-bearer" (or "the morning star").

Satan tried and is trying to usurp God's throne. The Bible says:

"How you are fallen from heaven,
O Lucifer, son of the morning!
How you are cut down to the ground,
You who weakened the nations!

For you have said in your heart:
'I will ascend into heaven,
I will exalt my throne above the stars of God;
I will also sit on the mount of the congregation
On the farthest sides of the north;
I will ascend above the heights of the clouds,
I will be like the Most High.'

Isaiah 14:12-14

Now we can see why Satan in Luciferianism refers to himself as the Alpha light because he is still trying to be higher than God.

Jonathan Cahn says, "Learn the SECRET of using the Alpha Light in every circumstance to change everything".

What he is saying is this, learn to use Satan (Lucifer) the Alpha light, instead of Jesus Christ – the way, the truth and the life.

From the first degree, the first Initiation, the Mason is urged mightily to "seek the Light"! The average Mason is continually saying that he is "seeking the Light", and will spend his entire life "moving toward the Light". Let's hear what occultist Albert Pike says:

"Lucifer, the Light-bearer!
Strange and mysterious name to give to the Spirit of Darkness!
Lucifer, the Son of the Morning! Is it he who bears the Light, and with its
splendors intolerable, blinds feeble, sensual, or selfish souls? Doubt it not!"

(Albert Pike, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, p. 321, 19th Degree of Grand Pontiff)

In J. Cahn's preaching dated 2014-10-05 entitled "The state of ONEment" Cahn introduces the masses to the New Age doctrine of ONENESS - occult doctrine that, among others, the occultist Aleister Crowley wrote about in his work, with declared purpose to bring forth the coming of the enemy Antichrist's kingdom, where ALL and even those who actively follow evil and violence shall unite in a global unity.

"The Mystery of Yom Kippur and the Bible itself is about becoming one with God. Most believers never enter it, but you can. How to live in the state of ONEment."

But it is written in the Bible that a true born-again child of God does not need to become "ONE" or find out how to find "Oneness with God", because Jesus said:

"At that day [His resurrection] you will know that I *am* in My Father,
and you in Me, and I in you."

John 20:14

When one is born-again (John chapter 3), God unites the believer with God the Father, with God's son Jesus and with the Holy Spirit - who are all one and only different forms of the One God. So there is no need to understand how to become at-one with God.

New Agers believe that "you are not separate from God; **every person is born a [piece of God](#)**." In order to be "at-one-ment" with God you need to MEDITATE and believe that God is in everyone and everything including yourself. A "state of oneness" (ONENESS) means that you need to find the Christ within, and become a God - which is the old lie of the serpent Satan in Genesis.

Jonathan Cahn teaches that he will give you the "KEYS" (HUMAN techniques/rituals) on how to **enter** in becoming ONE with God after you are saved.

Jonathan Cahn proclaims another Gospel, another Jesus and another spirit. (read Galatians chapter 1 !)

Jonathan Cahn is a Freemason and Kabbalah initiate leading million of Christians astray with his new "revelations", "keys", "mysteries" and "secrets".

Jesus himself warned:

*"For false christs and false prophets will rise and show great signs
and wonders to deceive, if possible, even the elect.
See, I have told you beforehand."*

! *Occult hand signs and obscurity regarding Kabbalah/Occultism*

Cahn has written a book with the great title "The Return of The GODS", where he would denounce the occult pagan gods and their influence on our society. But when you look on the cover and the title of the book; the impression is that J. Cahn is making an announcement (referring to the aforementioned term "HARBINGER" = Messenger who advertises... (= a forerunner of something / a person or thing that announces or signals the approach of another) in positive terms.

The hand sign Shin (ψ) in the Kabbalah, popularized by the character Dr Spock in Star Trek, also known as the "Vulcan Salute", is also something that Jonathan Cahn embraces.

He often appears in pictures with hand signs next to his face, in the same way as famous freemasons (see the pictures of famous "initiates" making exactly the same sign, from Giacinto Butindaro's website)

More about the om "Vulcan Salute":

Star Trek actor **Leonard Nimoy** was a Gnostic mystic and follower of Kabbalah. The Star Trek series promotes messages of ONE World Order according to the Talmud teaching.

Spock, Spirituality, and Star Trek
December 13, 2002

Leonard Nimoy, the actor who played Spock in the original Star Trek television series, has a controversial new book called Shekhina, a photographic exploration of the presence of God. He says he was deeply influenced by the Jewish mystical tradition of Kabbalah where the Shekhina, or the presence of God, took on a feminine form.

L. Nimoy wrote a book with photographs entitled "**Shekhina**", which stands for "Mother Goddess" in Kabbalah or the Mother Goddess "Isis Unveiled", as described by Helena Blavatsky in her book of the same name (and which the images in Nimoy's book "Shekhina" shows, black and white image of the woman with the veil). Below picture of Winston Churchill with the Vulcan Salute.

"Nimoy's "Spock" character was named "**VULCAN**" (with "V") who was half human and half alien/divine, similar to the "Nephilim", (according to occultist teachings from the book of Enoch). Kabbalah teaches the serpent's lie about "man's divinity".

This quote on page 322 from the spiritualist Helena Blavatsky, in her book "The Secret Doctrine" Vol II is clarifying:

[The Secret Doctrine, Vol. 2 of 4 \(gutenberg.org\)](http://www.gutenberg.org/files/12309/12309-h/12309-h.htm)

***“AND NOW – ‘ANTICHRIST
WILL BE SATAN INCARNATE’***

*The pioneers of the COMING APOLLYON
have already appeared – they are the THEOSOPHISTS, the OCCULTISTS, the authors of the...
“ISIS UNVEILED”...*

*The author notes the “avowed origin” of Theosophy
from the “descending angels,” from the “NEPHILIM,” or
the Angels of chapter 6 in Genesis , and the Giants.*

*He ought to note his own descent from them also,
as our Secret Doctrine endeavours to show –
unless he refuses to belong to the present humanity.”*

In the Bible, in Revelation 9:11, it is written about the last times and Apollyon (Abaddon, in Hebrew), the fallen angel of the bottomless pit/the abyss, the corrupter or the destroyer:

“And they had as king over them the angel of the bottomless pit,
whose name in Hebrew is Abaddon, but in Greek he has the name Apollyon.”

"Vulcan" is also a famous PAGAN mythological god (demon/fallen angel). The festival in his honour was called "Vulcanalia" where animal sacrifices were performed. Interestingly, he was married to Venus, another name for Lucifer.

It is also interesting to note that in the secret societies Vulcan is worshiped under the name "Tubal Cain". Tubal Cain is also the password for third degree Masons.

Tubal Cain comes from the Bible in Genesis 4:22 and was a descendant of Cain.

It is written in the Bible:

*“They are of the world. Therefore they speak as of the world, and the world hears them.
We are of God. He who knows God hears us; he who is not of God does not hear us.
By this we know the spirit of truth and the spirit of error. Beloved, let us love one another,
for love is of God; and everyone who loves is born of God and knows God. He who does not love
does not know God, for God is love. In this the love of God was manifested toward us, that God
has sent His only begotten Son into the world, that we might live through Him. In this is love, not
that we loved God, but that He loved us and sent His Son to be the propitiation for our sins.”*

Regarding William Branham's "God's Hands"-teaching (mentioned on page 3)

In the "preaching" entitled "Our Hands represent God's hands", Branham teaches the Serpent's lie that "men are gods". <https://youtu.be/EfF6J6sKINK?feature=share>

He talks about "ENERGY" and X-RAY that New-agers do and says that our bodies are full of "LIGHT" (= Lucifer doctrine in Occultism, where you replace God with the word Light")

He says that all people IN THE ENTIRE WORLD regardless of country and church denomination should unite in a "BROTHERHOOD",

just like New Age- and Theosophy founder Helena Blavatsky says!

And he says that you should "help" "god" (actually the Antichrist) to come and that you should go "OUT OF OUR MIND" (=NEW AGE "CONSCIOUSNESS") so that one should realize that everyone comes from ONE person, namely Adam and Eve.

It is CLEAR that "hand signs" play a major role within the Faith Movement with its NAR-apostles and prophets, as well as within the New Age context...

And it is just as CLEAR "who has influenced who" - because this you can NOT read about in the Bible!

Kabbalah and the "Laws of Attraction" teach that God is infinite LIGHT, and we are nothing more than vessels of light. In this teaching we are made of the same light, designed to PROJECT God's light to others. In Kabbalah, it is believed that one can PROJECT this light onto others to heal them of their illnesses. We can read about this in William Branham's sermons "Faith is the SUBSTANCE" or "When Love PROJECTS".

Liksom gnostikerna, ändrade Branham Kristi natur för att stödja idéerna om judisk ockult mystik. Branham degraderade Jesus Kristus som mindre av ett "ljuskärl". Han fokuserade attraktionslagarna på sig själv för att ge helande genom TRO PÅ SIN EGEN FÖRMÅGA – inte utifrån tro på Kristus. Enligt Branham är tron på attraktionslagarna och MÄNNISKAN som ska få äran:

"Now, if the people would've doubted Him, that He was the Son of God, that He was the Healer Divine, they could've not been healed. Even His prayer for them would've not have healed them. His hands would've not have—laying upon them would've not have healed them. Jesus never took credit for healing anyone. He said, "THY FAITH has made thee whole." Is that right? "THY FAITH has saved thee."

(48-0304 GODS ANGEL)

"As many times in a meeting, I'll take any cross-eyed child you've got in this meeting, you bring it up here without even praying for it, and just let me look at it straight in the eyes like that, I'll make its eyes come straight."

The history of Kabbalah's occultism and its infiltration into the churches

▪ The Kabbalah and the World's Celebrities, "Numerology" and Magic

The singer Madonna, a big fan of Kabbalah, visited Israel with the "Los Angeles Kabbalah Center". Even Demi Moore and Mick Jagger and other famous people in the world follow the occult religion Kabbalah. From being exclusive to Jews, it has become a celebrity fad and has merged with the New Age-doctrine (The magazine "Chosen people", Vol X, Issue 9, Nov 2004).

The "Kabbalah Center" has several dozen centres around the world and attracts students from a variety of religious groups and backgrounds.

To a greater or lesser extent, Kabbalism is the basis of almost every tradition that falls under the general title of "occultism". It is the basis of the anti-Christian rituals of the Knights Templar, of Aleister Crowley's O.T.O., of Crowley's disciple Jack Parsons. The cult of Hollywood stars "Scientology" is also based on the Kabbalah.

Kabbalah is a branch of Jewish Mysticism and an esoteric teaching traced back to the time of Abraham and reached its peak in medieval Spain. It is based on the belief that the Torah (the Old Testament of the Bible) is a "NUMEROLOGICALLY" coded message with "hidden meanings", for which it is necessary to have a SECRET KEY for interpretation.

("Kabbalah: Getting Back to the Garden", Marcia Montenegro, in Christian Research Journal, Volume 28, Number 2, 2005).

HUMANS and their EXPERIENCES and rituals/DEEDS are at the centre.

The Torah is thus used blasphemously - as magicians do - subordinated to SELF'S OWN WILL.

The teachings of Kabbalah come from an ancient occult book consisting of 23 volumes called "Zohar", which, as quoted above, offers interpretations of the meaning of the Torah (Old Testament).

With kabbalistic secrets firmly in hand, the well-informed can construct MAGIC WORDS that presumably empower users to command the very forces of the universe.

*"Kabbalism is a system of Jewish mysticism and magic and is
THE FOUNDATIONAL ELEMENT in modern Witchcraft.
Virtually all of the great Witches and sorcerers of this century were Kabbalists."*

(Quoted by William J. Schnoebelen, "The Dark Side of Freemasonry")

The Kabbalah did not restrict itself solely to instruction on the apprehension of God but included teachings on "cosmology", "angelology", and "magic".

Gershom Scholem (1897-1982), professor of Kabbalah at the Hebrew University of Jerusalem, ascertains that Kabbalah contains a good deal of "black" magic - that is, magic that was meant to harm others or that employed "the unholy names" (shemot ha-tum'ah, Sanhedrin 91a) of various dark, demonic powers, and magic used for personal gain. (Gershom Scholem, "Kabbalah", Plume 1974, page 183)

▪ *Mother Goddess "COSMIC Shekinah"*

The book "The COSMIC Shekinah", written by David Rankine, an English esoteric scholar and Kabbalist, describes the history of the development of the abomination of the Mother Goddess "God's wife" Shekinah in the occult teachings of the Kabbalah and the goddess (demon) "Sophia" of Gnosticism - drawing from the pagan goddesses of the ancient world: the Sumerian Inanna, the Egyptian Ma'at, the Greco-Egyptian Isis, the Semitic Anat and Astarte, and the Canaanite Asherah. The author describes how the "Wife of God" Shekinah was derived from these ancient sources.

The author, like other esoterists, describes how the female deity (demon) Shekinah continued to manifest, as the Mother Goddess Mary (non-biblical occult Mary) in Catholicism and as the anointing of the (occult) Spirit in (the false) Christianity and as Islam "Sakina". The author describes that the Shekinah in Kabbalah represents the "wisdom of the SERPENT" - goddess (demon/fallen angels, according to the Bible). - in the same way that the spiritist founder of the New Age Helena Blavatsky praises the evil and the Serpent Lucifer.

▪ *The denial of Jesus' divinity and that Jesus is the only way to salvation from evil*

Kabbalah, like all false doctrines and religions, denies the divinity of Christ and the necessity of faith in Him as the only way to salvation (John 14:6). But it is written in the Bible that Jesus is God in the flesh (Truth and True Human and True God completely without sin), and came to die and pay for the sins of all who believe in Him. If an individual believes that Jesus is God (John 1:1-3) and that Jesus paid for the sin (Romans 8:3) – then that person is forgiven and becomes a child of God (John 1:12).

Kabbalah, like Occultism/New Age in general, denies the reality - which is obvious to everyone on this earth – about the sin, the evil inherent in human nature. The Kabbalists teach the abomination that says "evil" as a

"quality of God", asserting that negativity enters into the essence of the Absolute. In this Luciferian vision, it is conceived that the Absolute needs evil to "be what it is", i.e., to exist. The Theosophy books of spiritualist Helena Blavatsky say the same in their descriptions of Lucifer/Satan.

But it is written in the Bible that Jesus/God is the only One who is Holy and completely without sin. That is why the Biblical Jesus came to our fallen world! Hallelujah!

▪ *Reincarnation and ONENESS doctrine*

Reincarnation, the transmigration of the soul after death, was introduced into Jewish occultism as a central esoteric tenet of Kabbalah from the Medieval period onwards, called "Gilgul Neshamot ("cycles of the soul").

Kabbalah has a pantheistic character. "Pantheism" is the pagan and nowadays New Age-idea that God and the world established by God are ONE and the same.

This is of course NOT what God told us in the Bible. God created everything that exists out of nothing (Genesis 1:1). Kabbalah tells the lie that creation is one of God's emanations, exhibiting the pantheistic quality of Kabbalah.

The mystical task of the (false) "righteous" in the Zohar is to reveal the hidden divine unity - ONENESS - namely to reveal the "divinity of MAN" - the same ONENESS that Aleister Crowley, Alice Bailey and the Pope want to bring forth (in reality the old lie of the Serpent in Genesis).

▪ *Kabbalah in the Middle Ages and the Renaissance and the fusion with the New Age*

When it began, the study of Kabbalah was secret, especially among medieval Christians who feared the wrath of the Inquisition. After Aleister Crowley revealed the secrets of the "Golden Dawn" at the beginning of the 20th century, they "let the cat out of the bag" and the Kabbalah began to be discussed among the religious intellectuals of the time. A. Crowley himself wrote extensively about Kabbalah for the general public, as well as for his fellow students of esotericism.

From the Renaissance onwards Jewish Kabbalah texts entered non-Jewish culture, where they were studied and translated by Christian Hebraists (specialists in Jewish, Hebrew and Hebraic studies) and Hermetic occultists. The syncretic traditions of Christian Cabala and Hermetic Qabalah developed independently of Judaic Kabbalah, reading the Jewish texts as universalist ancient wisdom preserved from the Gnostic traditions of antiquity. Both adapted the Jewish concepts freely from their Jewish understanding, to merge with multiple other theologies, religious traditions and magical associations. With the decline of Christian Cabala in "the Age of Reason", Hermetic Qabalah continued as a central underground tradition in Western esotericism.

Through these non-Jewish associations with magic, alchemy and divination, Kabbalah acquired some popular occult connotations forbidden within Judaism, where Jewish "theurgic Practical Kabbalah" was a minor, permitted tradition restricted for a few elites. Today, many publications on Kabbalah belong to the non-Jewish New Age and occult traditions of Cabala.

▪ *Kabbalah and "Quantum Physics" within the churches*

Evolution and "Big Bang"-theory come directly from the Kabbalistic "COSMOLOGY".

Kabbalah teaches that a massive sound created the universe, an occult doctrine sought to be introduced in churches as a scientific interpretation of the "Word of God" creating the world in Genesis.

Kabbalah teaches that the 10 dimensions we know from "String Theory", and thus the theoretical science is Kabbalah - which leads to the subject of "Transhumanism".

It is interesting to note Yuval Harari's book on "Jewish Magic before the Rise of Kabbalah".

Yuval Harari is an advisor to Klaus Schwab (President of the World Economic Forum) and promoter of Transhumanism, who says he is working to CREATE MAN-GOD (according to the title of another book by Y. Harari = "Homo Deus").

Many things taught in the false so-called "hyper-charismatic" churches - such as CONTEMPLATIVE PRAYER and the false doctrine of "SHEKHINAH GLORY" - are kabbalistic teachings.

The question if the Kabbalah is behind "QUANTUM PHYSICS" is important.

Many "Christians" today celebrate the great deception of the world that science now authenticates their faith. An example of how Quantum Physics has entered the church is **Bill Johnson's** false New Age-teachings in the highly occult "Bethel Church", which preaches Quantum Physics and other occult activities.

Such kabbalistic doctrine is also seen in **Annette Capps**, daughter of best-selling author and pseudo-charismatic pastor Charles Capps.

In her booklet, "Quantum Faith", she presents a Christian faith compatible with the "scientific" principles of Quantum Physics, and, as such, also compatible with the so-called "scientific" principles of the New Age/New Spirituality. In her booklet, Annette Capps writes:

"As I studied the theories of quantum physics, I was reminded of a prophecy given by my father, author and teacher Charles Capps, "Some things which have required faith to believe will no longer require faith, for it will be proven to be scientific fact."

This has to do with the deceptive occult plan of the arrival of the Antichrist in the last times that the spiritualist H. Blavatsky described among others, and which the Bible warns about (Rev 13, Matt 24, 2 Thessalonians 2) and which God allows in order to test people to see who wants Him/Truth/Righteousness (Revelation 3:10).

The complete opposite of the aforementioned occult prophecy by Charles Capps is written in the Bible:

"But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him." Hebrews 11:6

There was a deliberate plan behind the creation of the false "hyper-charismatic" movement, which has had great influence in almost every denomination, shifting the focus to MAN and their experiences/desires, rather than a firm understanding of God's Word.

WHAT IS WRITTEN IN THE BIBLE? ❤️

As stated above, the origins of Kabbalah go back to the time of Abraham.
It is wonderful how easily we find all the answers in the Bible, it is written there:

*"Jesus said to them,
"Most assuredly, I say to you, before Abraham was, I AM." John 8:58*

The origins of Magic and Astrology go back even further than the time of Abraham.
If you read in the Bible the history of God's creation of the earth, you see that the fallen angel Satan/Serpent (who rebelled against God with his followers) tempted the first couple of people to get away from God (Genesis 1, 2 and 3) by telling the lie that they could become like God
- and thus try to imitate God and become some kind of "CREATOR" themselves → the lie about MAGIC.

So, right from the beginning of creation, God has allowed the fallen angels to deceive people through occult messages and revelations → Magic

It is written in the Bible that Jesus was One with God BEFORE the world was created:

*"In the beginning was the **WORD**, and the Word was with God,
and the Word was **GOD**. He was in the beginning with God.
All things were made through Him,
and without Him nothing was made that was made.*

*In Him was **LIFE**, and the life was the **LIGHT** of men.
And the light shines in the darkness, and the darkness did not comprehend it.*

***John's Witness: THE TRUE LIGHT**
There was a man sent from God, whose name was John.
This man came for a witness, to bear **witness of the Light**, that all through him might believe.
He was not that Light, but was sent to bear witness of that Light.
That was the true Light which gives light to every man coming into the world.
He was in the world, and the world was made through Him, and the world did not know Him.*

He came to His own, and His own did not receive Him.

*But as many as received Him, to them He gave the ^[e]right to become children of God,
to those who believe in His name: who were born, not of blood, nor of the will of the flesh,
nor of the will of man, but of God."*
John 1:1-13

*"He is the image of the invisible God, the firstborn over all creation.
For by Him all things were created that are in heaven and that are on earth,
visible and invisible, whether thrones or dominions or principalities or powers.
All things were created through Him and for Him.
And He is before all things,
and in Him all things consist.*
Colossians 1:15-17

The Bible in the New Testament proclaims that Jesus Christ is open to all who want to receive Him - only out of His grace - and He is not only open to those who have access to "Occult Knowledge" (through works), as the Kabbalah says.

Jesus says:

*"I am the door.
If anyone enters by Me, he will be saved, and will go in and out and find pasture.
The thief [The Serpent] does not come except to steal, and to kill, and to destroy.
I have come that they may have life, and that they may have it more abundantly.*

"I am the good shepherd. The good shepherd gives His life for the sheep." John 10:9-11

What can be clearer than His Word?:

***"Jesus said to him, "I am the WAY, the TRUTH, and the LIFE.
No one comes to the Father except through Me."***

John 14:6

The Scriptures/Bible proclaim the opposite of Kabbalah.
In Deuteronomy, God explains:

"For this commandment which I command you today is not too mysterious for you, nor is it far off. It is not in heaven, that you should say, 'Who will ascend into heaven for us and bring it to us, that we may hear it and do it?' Nor is it beyond the sea, that you should say, 'Who will go over the sea for us and bring it to us, that we may hear it and do it?' But the word is very near you, in your mouth and in your heart, that you may do it." 5 Mos 30:11-14

The temptations of secret and esoteric knowledge were not unknown to the apostle Paul in the Bible. For this reason, Paul wrote this warning to the believers in the church in the city of Colossae:

"Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ."

Colossians 2:8

Paul knew that the only mystery worth knowing - is NO longer a secret. **This mystery has already been revealed and is now available to everyone:**

"Now to HIM who is able to establish you according to my gospel and the preaching of JESUS CHRIST, according to the revelation of the mystery kept secret since the world began

but now made manifest, and by the prophetic Scriptures made known to all nations, according to the commandment of the everlasting God, for obedience to the faith—to God, alone wise, be glory through Jesus Christ forever. Amen." Rom 16:25-26

This is The True Pure Light,
which the Kabbalists fumble and toil to find, with works - with only temporary satisfactions
andemptiness in the meditation they use to contact Satan's fallen angels....

Jesus says:

*"Peace I leave with you, My peace I give to you;
not as the world gives do I give to you.
Let not your heart be troubled, neither let it be afraid."*

John 14:27

*"Come now, and let us reason together," Says the Lord,
Though your sins are like scarlet, They shall be as white as snow;
Though they are red like crimson, They shall be as wool.*

Isaiah 1:18
