Driving Bans and Public Holidays **Calendar 2026**

Avoid Delays

For independent carriers, shippers, and professional freight transporters, it is crucial to deliver goods on schedule and on time to the customer. An unexpected public holiday with a general driving ban can significantly disrupt such plans. This driving bans and public holidays calendar by evofenedex helps you organize and plan your transport efficiently.

Overview of 37 Countries

The calendar provides a schematic overview of driving bans at national and regional levels, organized by country and month. Additionally, it includes a map of Europe displaying public holidays and driving bans for each country and date. This allows you to see at a glance where and when driving is prohibited in any given country.

About ESC

European Shippers' Council was founded in 1963 to represent the logistic interests of manufacturers, retailers, and wholesalers, collectively referred to as shippers, in all modes of transport. ESC members are national shippers' councils, key European commodity trade associations, and corporate members. Thus, European Shippers' Council represents the freight transport interests of some 100,000 companies.
