This calendar consists of driving bans on national and local levels. Temporary driving bans as well as different regulations for special transports are not included in the listing.

ESC has compiled this poster for you with the greatest possible care. However, ESC relies on the information of third parties. Therefore, ESC cannot accept liability for any damage that might arise from errors or omissions in this publication.

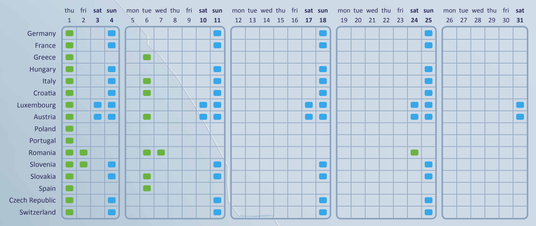

About ESC

European Shippers' Council was founded in 1963 to represent the logistic interests of manufacturers, retailers, and wholesalers, collectively referred to as shippers, in all modes of transport. ESC members are national shippers' councils, key European commodity trade associations, and corporate members. Thus, European Shippers' Council represents the freight transport interests of some 100,000 companies.
