SERVICES**

About us

Empowering young minds for a brighter tomorrow.

Executive Health Limited provides comprehensive care and support services for children aged 10 to 18. Our unique and professional services put young minds' health and well-being first. We recognise that each child is unique, which is why we provide a customised approach to children care services, offering a variety of programmes to match the specific requirements of each young adult.

We cater to a variety of conditions, including:

- Autism
- Learning disabilities
- Physical disabilities
- Mental health needs

The Office for Standards in Education (Ofsted) inspects us to assess that we fulfil the standards necessary for childcare services.

Our Services

Our services are intended to assist young adults in their physical, emotional, and social development by providing them with the care and support they need to attain their full potential.

We provide a variety of services to suit the special requirements of young adults, including:

*PROVIDING
EXCEPTIONAL
HOME CARE*

1. Early Years Foundation Stage (EYFS) - We adhere to the EYFS standards, ensuring that children aged 10 to 18 get outstanding care and education. Our highly qualified and talented teams of healthcare specialists guarantee that every child in our care needs are satisfied.

2. Health and Safety - We take young people' health and safety extremely seriously. Our facilities are inspected on a regular basis to ensure that they are safe and secure for children. We also have strong measures in place to protect the welfare of young people from injury or danger.

3. Meal preparation - We serve young people with nutritious and healthful food and drinks, ensuring that each young person's nutritional needs are addressed.

4. Learning and Development - We offer a vibrant and engaging learning and development environment for young people. We employ a range of activities and tools to promote young brains' learning and growth.

5. Community Involvement - We believe in giving back to the community at Executive Health Limited. We organise events and activities in the community to enhance socialisation among young people and their families. We also join with other organizations to offer services and assistance for young people and families in need.

Additional Service

- Counseling and counselling services for young people who may require extra emotional assistance.

- Parenting programmes and workshops to assist parents in better understanding their child's development and learning good parenting strategies.

Our Home

Our facility is in a secure and peaceful neighbourhood and is outfitted with cutting-edge technology and resources to provide optimum comfort and convenience. Our caring team is highly qualified and committed to delivering the greatest care for children, including daily living support, personalised therapy, and educational support.

We also provide enjoyable leisure activities that encourage social connection and brain stimulation. With our flexible scheduling options that adjusts perfectly to the level of support based on a child's specific needs. Children's comfort, security, and general well-being are our primary priorities at Executive Healthcare.

Our Referral Process

1

Call or contact us with your referral, and we'll collect all of the information we need to start the supported living referral process.

2

We will arrange a one-on-one assessment to spend time with the person and their family to understand their present circumstances, support requirements, and short-, medium-, and long-term goals.

3

We will arrange for the person and their family to see our available supported living housing or residential homes after we have developed our suggestion for support, allowing them the chance to meet our staff and ask questions.

4

We'll create a financing request outlining the support hours needed and submit it for approval, keeping you updated along the way.

5

We'll set a move-in date and start the transition process once the funds have been authorised. We'll be on hand to provide support and advice throughout the process to ensure that everything runs smoothly.
