5 SNABBA OM OLOF PALMES INTERNATIONELLA CENTER

- Grundades 1992
- Mobiliserar den svenska arbetarrörelsen för internationell solidaritet
- 27 medlemsorganisationer
- 200 projekt
- 30-tal länder
- Ca 60 anställda

“International Security must rest on a commitment to joint survival rather than a threat of mutual destruction.”

- The Independent Commission on Disarmament and Security Issues (Palme Commission 1982)
 - Introduced a new term into the international debate on security
- Independent Commission on International Development Issues (Brandt Commission, 1977)
 - Proposals for revitalizing North-South negotiations – dual dependence
- Our common future – report by World Commission on Environment and Development (Brundtland commission 1987)
 - Sustainable development (ecological, social and economy)

PRINCIPLES OF COMMON SECURITY

- All nations have a legitimate right to security
- Military force is not a legitimate instrument for resolving disputes between nations
- Restraint is necessary in expressions of national policy
- Security cannot be attained through military superiority
- Reductions and qualitative limitations of armaments are necessary for common security
- 'Linkages' between arms negotiations and political events should be avoided
