

# Information about Denmark to refugees from Ukraine

## How to get there

You can go by train, which is free for all Ukrainians, or you can enter a bus. You can find buses for Denmark here [Ukrainetodenmark.com](https://ukrainetodenmark.com) +45 6110 0494.

They are safe and run by private donations. Refugees entering these buses will normally be driven to a refugee reception center and registered by the government.

## Passport

As a Ukrainian citizen, you can enter Denmark as a tourist. If you have a biometric passport, you can enter Denmark without a visa, if not, you will need to apply for a 2-week visa at the border. You will need the address and phone number of your Danish host.

If you instead apply for asylum, you get food and shelter, but you are not allowed to work. You can instead apply for a 2-year residence permit through the link in the bottom.

## Housing

Many Danes open their doors privately through for instance these Facebook groups:

- **Housing:** [Giv husly til Ukrainske flygtninge i DK](https://www.facebook.com/groups/411309590762305/) 🇩🇰🇺🇦 [Надаємо житло д](https://www.facebook.com/groups/411309590762305/)
- **Help, support and housing:** [Bevar Ukraine](https://www.facebook.com/groups/BevarUkraine.dk) 🇩🇰🇺🇦 [Збережи Україну! Бевар Україна](https://www.facebook.com/groups/BevarUkraine.dk)

You can also get housing through municipalities, for instance in Copenhagen, the largest municipality in Denmark; Welcome House, +45 5163 7030, <https://www.kk.dk/ukraine>

## Healthcare, work and price level

Ukrainian citizens are entitled to emergency care at the hospitals, including psychiatrists, at all times. Health care (except dentists and medication) is free in Denmark once you have applied for asylum or for a residence permit.

In Denmark, food, clothes and housing are expensive compared to the rest of Europe. However, even unskilled work should cover basic expenses and many will help refugees for free. There is a general need for labor in Denmark, and you will be able to apply for jobs when your residence permit is approved.
