

Heyman 42' PPH

HEYMAN 42' PPH STANDARD SPECIFICATIONS, OPTIONS AND PRICING /₂₀₂₃₋₁₁₋₁₆

Please note that the PPH's standard specifications below include a long list of items you would expect on a first-class yacht of this kind but which will most often be found as options on yachts from other manufacturers:

A Sloop rig, a folding bronze propeller, a compass + B & G instruments, the Seldén rig with electric in-mast furling and electric under-deck furling for the jib, the Selden self-tacking arrangement, two Andersen electric winches, a Lewmar chromed bronze electric windlass for the Spade anchor and 50 m calibrated chain plus a high-pressure pump on foredeck, shower in the cockpit, Flexiteek in cockpit, quality beds complete with mattress pads, big tank volumes, a water heater, a generous Victron battery bank with both charger and inverter, and much more.

Contact us for a price quote!

email: info@heymanyachts.com

If you compare the base price of the PPH to other yachts, please note that many items listed below would be options from other builders. For requirements or preferences not listed, neither as standard or options, also please contact us. Special adaptations may be possible.
