

HARD TIMES FOR BUSINESSES?

WE ARE HERE FOR YOU

BUSINESS MANAGEMENT CONSULTING

The Covid-19 epidemic is forcing entrepreneurs to change the way they do business. The International Business School The Hague (IBSH) can help you with necessary adjustments. We have excellent expertise in using the Internet for business, among other things.

WE CAN ADVISE YOU ON:

ONLINE MARKETING

Reach your customers via your website, social media or pop-up ads. We analyze your current Internet activities and advise on improvements or new possibilities. Do not let customers walk away, but spend your marketing budget optimally.

ORGANIZING WORK ONLINE

Do you or your employees work from home? We can help you keep an overview and achieve the best possible results.

ADJUSTING YOUR BUSINESS MARKETING OR FINANCIAL PLANS

IBSH can help you with any adjustments to your business operations to save costs and survive the current recession.

NEW IDEAS FOR YOUR COMPANY

Every change offers new possibilities. With our knowledge about entrepreneurship and innovation, we can help your company to develop new products or services that are appropriate at this time.
