

2Tang at a Glance

Centuries ago, tea was an expensive and exclusive drinks for the wealthy and aristocrats. Today, tea has become people's daily drinks and enjoyed everywhere around the world.

In **1942**, 2Tang tea was created by **Sispramono**, a tea lover from the corner of a small town of **Tegal, Central Java, Indonesia**. His passion of mixing and creating unique, sweetsmelling, and delicious recipes of traditional tea has finally made him a well-known tea expert. His passion and expertise has passed down to the next generation until today, 2Tang tea can be enjoyed anywhere, anytime.

2Tang tea are specially **created for tea lovers** in powder form, and tea bags for those who prefer practicality in their busy lifestyle.

2Tang Tea is distributed all over Indonesia in various flavours including **earlgrey tea, lemon tea, jasmine green tea, peppermint tea, and rose tea.**

2Tang also provides customized bulky packaging to meet the specific demands of our international clients.

Vision

To become a well-known tea manufacturing company with the international standards.

Mission

To maintain the quality of the products and to introduce the finest quality tea to domestic and international market.

What Makes 2Tang Tea So Special?

2Tang Teas are made from natural tea leaves, selected through a very strict selection process from harvesting to the drying process.

The Collection

2Tang Green Tea

The quality of 2Tang Green Tea is always remarkable.

After the picking, the tea leaves are steamed immediately to avoid the fermentation process and therefore to maintain its green color.

Clear and greenish 2Tang green tea infusion gives you a memorable sensation of freshness and warmth during family and close relative gatherings and even during your tea-break.

2Tang Java Green Tea

The 2Tang Java Green Tea is more than just ordinary green tea. With stronger green tea flavor, this healthy, smooth, and crisp drink is very suitable for your breakfast companion.

2Tang Jasmine Tea Premium

It is obviously a perfect blend of the highest grades fresh tea and jasmine flower.

2Tang Premium Jasmine tea presents a fantastic and delicate taste of premium tea; give you the utmost tea drinking pleasure of sitting in a garden surrounded by jasmine.

The Plantation

Located in the cool highlands of **Sukabumi, West Java, and Tegal, Central Java,**
The 2Tang tea plantation are spread across more than 500 Ha, growing **premium and quality tea leaves with care and passion.**

Production Facilities

2Tang manufacturing facilities consist of two main plants. The **Tegal Plant**, producing powder tea and tea bag products; and the **Tangerang Plant**, producing premium and export quality tea bag products.

Through this two manufacturing facilities, 2Tang products are processed, produced, packed and ready to be delivered to the distribution channel.

WHY 2TANG?

*For more than **73 years**, 2Tang has become a well-known local tea products, and one of the most preferable tea brand for people around Indonesia.*

2Tang is one of the leading modern tea manufacturing company implementing modern machinery to produce tea bag label without mylar tapes and stapler, ensuring safer and hygienic products for the consumers.

2Tang provides quality tea, picked from the finest tea leaves, grown in its company own plantation area, processed through both traditional and integrated modern manufacturing process.

Supported by traditional tea picker, selected through strict quality control systems, 2Tang teas are processed through hygiene and fully automated manufacturing process to avoid any contamination and intervention of human labor, which allows us to produce tea products in a much more hygienic way than the traditional tea manufacturer.

Distribution Networks

Today, The products of 2Tang Tea have been distributed across Indonesia that encompass the channel of Traditional and Modern Market (Retail), Hotel, Restaurant, Cafe, Food Service, as well as have been exported to **Brunei Darussalam, Hong Kong, South Korea, The Netherlands, Germany and Australia**
