PRODUCTS

Organic Coconut Granules Sugar

Made from hand-tapped golden nectar of coconut palm blossoms, then slow kettle-boiled to distill its essential goodness.

A delicious natural sweetener, made from the nectar of coconut palm flowers. This nectar is found inside the blossoms of the coconut palm tree.

Organic Coconut Syrup (Nectar)

PRODUCTS

Organic Coconut Sugar Block

Sugar that made from coconut juice.
To make coconut sugar, the coconut juice is filtered first, then it is boiled and made a block with the an organic way.

Virgin coconut oil (VCO) is the freshly obtained mature kernel of the coconut, by mechanical or natural means, with or without the use of heat and without undergoing chemical refining.

Virgin Coconut Oil

PRODUCTS

Coconut Oil

Coconut Cooking Oil is natural non-(bad) cholesterol oil. Made from good quality freshly mature coconuts milk. This cooking oil is more natural and thrifty oil because it is clear liquid, so the oil can be repeatedly used for deep frying.

Banana leaves are large, flexible, and waterproof. They impart an aroma to food that is cooked in or served on them; steaming with banana leaves imparts a subtle sweet flavor and aroma to the dish.
