

Company Profile

# PT. Bawanindo Gunung Berkat

Healthy with Bawana

# About Us

PT. Bawanindo Gunung Berkah is a company that produces healthy food products from local farmers, such as Virgin Coconut Oil (VCO), Palm Sugar, and Pristine Sea Salt. These healthy food products have been marketed in all major cities in Java such as Jakarta, Surabaya, Bandung, Semarang and Yogyakarta and have received good responses from consumers. By seeing the good market response, the company has the courage to decide to expand its overseas market (exports) to countries in Asia, the Middle East and Europe.
