# About Us

Woodenlink is a Furniture Company based in Jakarta, Indonesia established in 2016 and our factory is located in Central Java.

We specialize in wood, metal and stainless steel furniture. Our specialty is Teak Wood which is a trademark material sourced from Indonesia. We also provide a wide variety of furniture products made from various woods such as Mahogany, Acacia, Pine, Suar, and Mindi, all of them source from Indonesia and around the world.

All of these high quality materials are processed with modern and sophisticated equipment to produce furniture that matches our customer expectations and needs.

We provide a production capacity of 40 containers (40HQ) per year.
