

ANINDA FURNITURE INDONESIA : **Story of Craftmanship**

@anindafurniture

ANINDA FURNITURE INDONESIA

Ringroad 80, Sroyo-Karanganyar Solo
Centra Java, Indonesia 57732

With a homebase in Solo Indonesia, we have in-house production plants as well as some subcontracts and carpenters around Solo, this strongly enable us to be prepared with any requests from our clients whether it is a cost effective furniture or a high end ones.

OUR SERVICES

We have been supplying many hotels projects and retail stores within our years of operation with various types of furniture and home deco.

All of best quality but still competitive in pricing

Whether it is a few lobby items or hundred rooms for a contract/project as well as a fast turn around project that needed to be completed quickly but still in style and quality or the newest model for your retail stores.

We also make outdoor Furnitures based on the design supplied by our client,

We manufacture case goods for guest rooms as well as wooden home deco and soft furnishing like sofas and cushions for living room, hotel quest rooms and restaurant.
