As Promotion Partner

Currently, we can find various types of souvenir products on the market. The demand for unique and exclusive souvenirs also has been increasing these days. This trend has successfully created a standard for souvenir products, which shouldn't be only memorabilia or items to commemorate an event. The souvenir also must be able to be an items that gives a strong and deeper impression to the person that receives it. Furthermore, a souvenir is not only made for wedding party memorabilia. A company or a gathering event also needs a souvenir with the company logo printed on it is an item to remind that moment. It also made as a gratitude or thank-you note to the recipient.

About

Bagbone

The Indonesian Brand

BAGBONE INDONESIA was founded in 2010. Since its foundation, this company has been growing significantly. Our factory is located in Yogyakarta, Indonesia, the center of Javanese arts and culture. This beautiful city never failed to impress the world with its classic vibe charm, its nature, as well as its youngster creativity.

We are proud to be able to produce the arts and crafts made of genuine leather with the best quality to fulfill people's needs and demands that always change as time goes by. We keep preserving the old-school design that has a strong root in the Javanese culture and legacy and then combines it with the latest innovation of the national culture design.

Our product has been through a strict quality control phase. So, when you order a product from us, guaranteed, you will get nothing but the best quality product.

Product

Our products include sewing product types made of several materials. Our company uses Full Grain Cow leather, Pull Up, Vinyl, and Synthetic material for each product we sell to our clients. Each of those materials has different quality and property. Therefore, they need special treatment that can't be done by an amateur. We have professionals and experts that know how to utilize those materials to its fullest potential. Thanks to this work ethic and system, we can produce the best items that can compete with the big name in the market.

Our company provides many types of products for men and women. We try to accommodate all customers through our variation of products, so our customers won't have any problem getting the souvenir or items that they want. As for the product type that we made, we have Men's Collection. In this collection, you can find various products, such as Briefcase, Backpack, and Sling Bag. We also do not forget the women clients as another big potential customer. Therefore, we also provide Women's collection in our line of products. In this collection, you can find Clutch & Wallet, Shoulder Bag, Hobo, and Tote.
