WHO WE ARE

- **Boymaxwell Indojava Group Ltd.** is a company engaged in international trade based on **Aceh's Province** exotic commodity products and brands. We sell various end-to-end international scale **Aceh's Province** local products. With the vision of increasing Aceh's competitiveness in the world, **Boymaxwell Indojava Group Ltd.** creates the business ecosystem by completing the supply-demand chain through exporting Aceh's products. It is reflected in our slogan that is **"From Aceh to the World"**

COMPANY ROLE (WHAT WE DO)

"We help small business (SME) and farmers to reach GLOBAL MARKET"

“The Vision of Indonesia 2045 is an Indonesian ideal that set the goal for the country to be a sovereign, advanced, fair and prosperous nation by its centennial in 2045”.

Having projected that Indonesia becomes one of four big economies by 2045, We believe Indonesia could be able to manage its opportunities and challenges to reach its dream to be a resilient economy in 2045.

As an agent of change, we will participate as a company that builds a network of next-generation trade leaders by partnering with universities and corporations across global value chains to achieve sustainable economic development.

We partnerships closely with **MDC House Coffee Labs** in Bener Meriah Regency for the rigorous R&D and Quality Control stages. Coffee Quality Control is a complete stage on how to taste and grade coffee. This coffee labs control and identify defective beans and flavour taints. This coffee labs also trains you how to set up a cupping as well as teaching you how all the important modern scoring system works. Coffee QC blows the lid off the cupping process and removes the mystery behind how professional coffee buyers and roasters manage quality.
