# COMPANY PROFILE

## SURYA FURNITURINDO GEMILANG

*is a wood working and furniture manufacture located in Surabaya, East Java, Indonesia.*

**We have two location of workshop**, one is in Palu (Central Sulawesi) for solid wooden door, frame, wooden ceiling, wooden furniture. The other one is in Surabaya for rattan furniture & finishing of wooden products.

Our line of product are solid wooden door, frame/ jamb, architraves, wooden ceiling & decking, also wooden & rattan indoor/ outdoor furniture (genuine rattan instead of synthetic ones). Our concept are contemporary and minimalist ethnic.

Our selected wood is *better in quality and texture* than other kinds of wood you've seen.

### Canarium Wood (tropical wood)

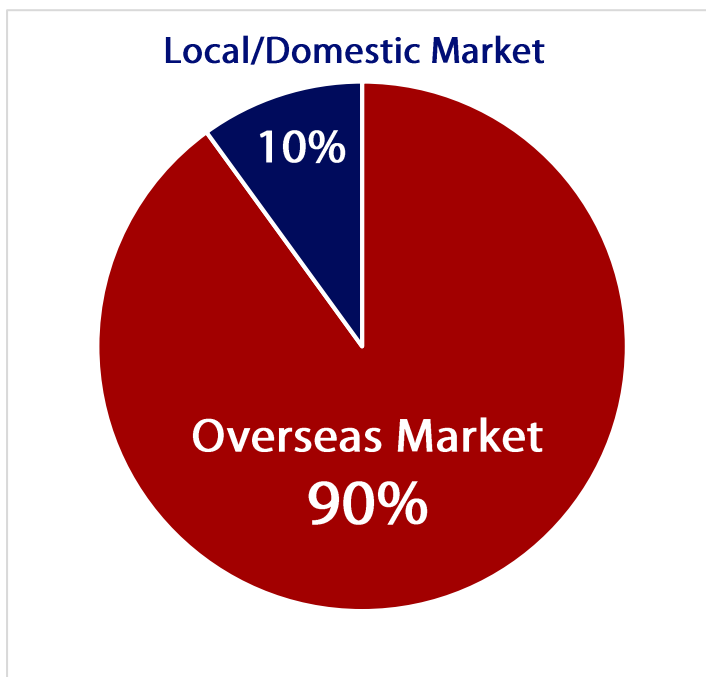

Species Name : Canarium  
Family Name : Burseraceae

Our doors & frames **already exported** to Japan, Mauritius, Oman, Malaysia & India. Our wooden & rattan furniture already exported to Belgium, Timor Leste, France and Syria + Libya (before civil war).

It's a premium minimalist and classic solid wooden door that brings an elegant atmosphere to your home or project, from selected canarium wood.

## MARKET COMPOSITION

We also create new designs for main door, it's combined with slice stone marble (thickness 5 – 7mm only) or using slate stone/ peeled stone with only 2mm thickness.

We also use other materials such as sea grass, rattan core, bamboo, stainless steel, aluminium, etc combine with the solid wood for wooden furniture.

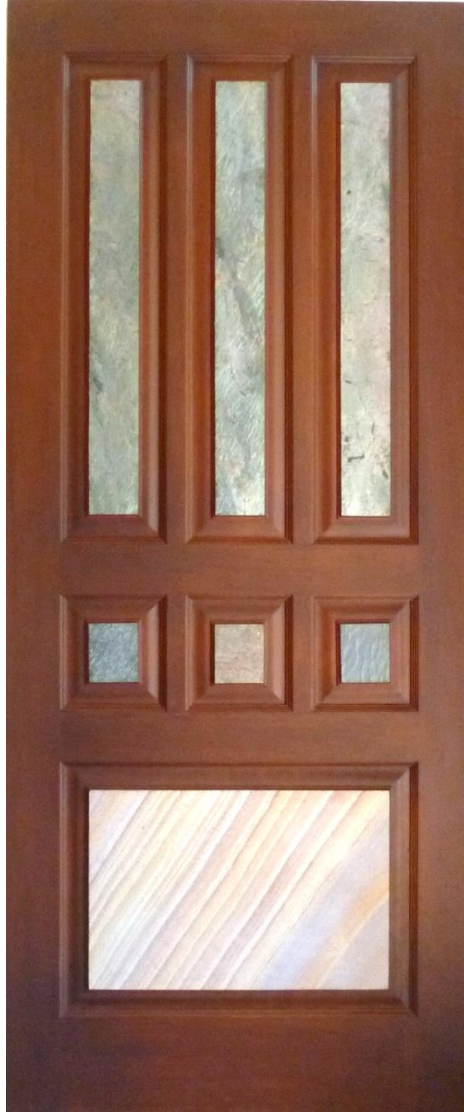

We have specially designed furniture but we also produce furniture by your orders to fulfil your taste of furniture (custom made).

Since 1990 we were already producing plywood furniture for domestic market on the name of GMC Furniture and this is for special design (custom made).
