COMPANY PROFILE

Welcome to PT. Bali Farm Export. Our Company are engaged in the export and supplier of commodities, especially in the area of Bali, Indonesia. Bali is currently famous for its very beautiful tourism, but it turns out that in the northern part of Bali, there are many agriculture, plantations, and fisheries managed by the surrounding community, so many Balinese commodities can be exported to various countries because of their best quality and affordable prices. . Indirectly we also help the economy of the farmers, by providing jobs for them, so we can check and improve the quality of the products from the farmers to match the quality of market demand, so that buyers can always continue to believe in our services and our products. That's our commitment

VISION

Providing the highest quality commodities in Bali. Becoming a Trusted and Integrity Exporter. Have a Good Relationship with Anyone. Can increase Indonesia's economic growth.
