PALM FROM INDONESIA

INDONESIAN ORGANIC PALM SUGAR

Background

Palm From Indonesia committed In making only the best organic Indonesian palm sugar to respect the environment and maintain good quality. That is because we believe in supporting the sustainable agriculture concept by providing the best of Indonesia's natural resources to the world.

Healthier Life for Everyone

Healthier life for everyone, including farmers and their families. By collaborating with farmers, we've started to develop the fairtrade program that will encourage quality improvement in our products. We understand that health is the greatest wealth. Therefore, we will always provide the best of our products to the world, for healthier life.

Organically Sweet

100% only Delicious Healthy Palm Sugar

A pleasantly sweet taste, sweet caramel aroma, and rich in vitamins and nutrients makes Palm Sugar a perfect paired to sweeten food and drinks.

With no chemicals added during production and also have a low glycemic index, it is far more safer than white sugar.
