Team members

28

years in business

We are CV. Mekar Asih Rotan - Cirebon-Indonesia, have evolved from our origin which was established in 1988. As a big company that has been exporting furniture rattan nature to many countries in Europe, America, Australia, Africa and Asia. The founder enterprise started its early trade in sub-contract production of rattan furniture and ware for exporters. After several years in this engagement, eventually direct exporting has been undertaken since 1997.
