

# PRIME COCONUT CHARCOAL BRIQUETTE

WELCOME TO **COCOFLEET**

**The** Coconut Charcoal Briquette Factory from Indonesia.

# WE ARE COCONUT CHARCOAL BRIQUETTE PRODUCT MANUFACTURERS

---

## About Cocofleet

**Cocofleet** is the prime manufacturer & supplier of premium coconut shell charcoal for Hookah and BBQ. The company name is CV. Karya Perkakas Jogja. Since the beginning, we specialize in exporting our products and brands to various markets across the globe. We were **established in February 2012** and since then, continuously expanded over the years to become an innovative and international operating company as well as a reliable partner in the waste business industry.

Our head quarter and **production facility is built on approximately 3,000 square meters** land to maintain all industrial standards in order to produce a premium quality for coconut shell charcoal. This area **is located in Indonesia, South East Asia particularly Daerah Istimewa Yogyakarta.** which is strategically close to the port of Semarang and Surabaya.

Dedicated and skilled employees are the highest resources and enable Cocofleet to perform on the highest level to develop a **premium grade quality of charcoal briquette.** On top of that, our clients can rest assure to be provided with their orders within the expected delivery time. As a result of dedication, team spirit and qualified facilities, the current **production capacity reaches 4 x 20” Ft Container / 72 tons per month.**

**WE DO CONCERN ON PROVIDING PRIME BEST QUALITY COCONUT CHARCOAL BRIQUETTE FOR OUR CUSTOMERS.** We have experience to do wholesale coconut charcoal briquettes to the USA, Israel, Germany, Saudi Arabia, Turkey, Korea, and Lebanon. With experiences in more than 5 countries, we are continuously improving our quality by using the best raw material source from Indonesia. We strive to show Indonesian best for the world.

**Indonesia's best quality  
Coconut Charcoal  
Briquette for the world.**
