Introduction

02

WHO ARE WE

Tradeco Indonesia is a social business start-up in the field of international trade that supports the realization of Sustainable Development Goals point 8 (Decent Work and Economy Growth), 9 (Industry Innovation and infrastructure) and also point 17 (Partnership for the Goals).

Tradeco Indonesia is the export solution for both SMEs and buyers. Tradeco's business activities facilitate more convenient, safe, easy and transparent export transactions.

Tradeco Indonesia carries a social mission that aims to help Indonesian SMEs to develop their products to the global market beyond the limitations of access to information and the use of technology.

Tradeco Indonesia is also a solution for importers' problems in terms of financial security, product quality control, and standardization control.

8 DECENT WORK AND
ECONOMIC GROWTH

9 INDUSTRY, INNOVATION
AND INFRASTRUCTURE

17 PARTNERSHIPS
FOR THE GOALS

OUR VISION

Provide simple and safe
International Trade transactions for
both Indonesian SMEs and
Importers.

OUR MISION

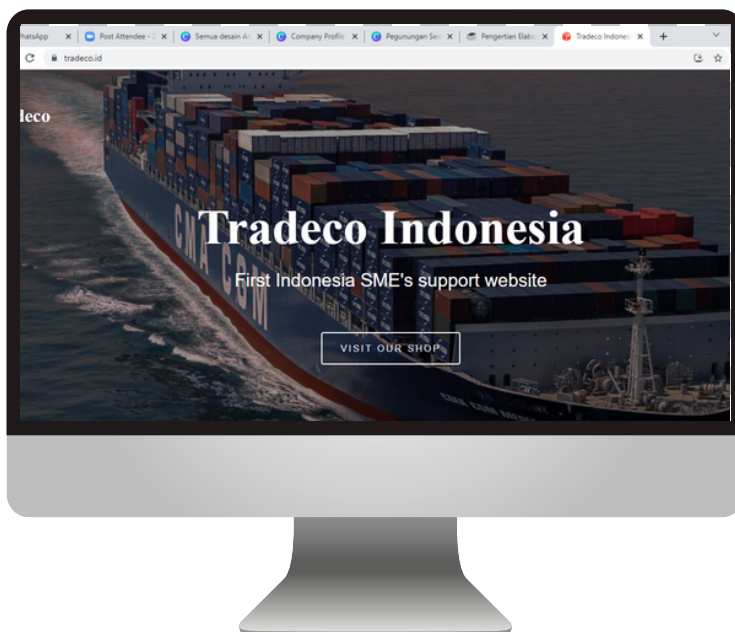

1. Helping Indonesian SMEs penetrate the global market
2. Facilitate Indonesian SMEs regarding export regulations
3. Increase Indonesia's exports
4. Facilitate importers in a transparent and simple way to get Indonesian products

Our Services
