COMPANY PROFILE

Rattan company

AN NYAMAN

Rattan company

AN NYAMAN is a company engaged in the field of rattan furniture from the city of Cirebon, West Java, Indonesia. We produce various kinds of rattan products such as rattan guest table chairs, rattan dining table chairs, rattan recliner chairs, rattan toys, rattan coffins and many of our other products. We always develop the design of our rattan furniture products from the needs of our customers. All of our furniture is handcrafted and produced by skilled and experienced hands so that it comes with a unique character. This is supported by quality control which includes material selection, framing process, coloring process, weaving process and packing finishing process.

It is a convenience to always offer goods at a very low cost but can provide the best offer, such as we offer to our friends because we have a flexible policy towards customers, namely with a negotiation system for products with wholesale purchases, complete sets, restaurants, hotels and so on. Retail furniture stores often do very high price markups, this is due to adjustments to other costs that we don't have.

We are ready to help anytime for your home, hotel or villa projects, or shop for wholesalers and retailers with our rattan and natural fiber furniture. For more information about Convenient please contact us directly.

We are rattan craftsmen from Cirebon, experienced in the field of rattan crafts for more than 30 years, engaged in the rattan craft business following in the footsteps of the predecessors of a large family of rattan craftsmen. We provide services for making guest chairs, dining chairs, patio chairs and other rattan household furniture with modern designs according to the tastes of today's consumers by pre-ordering so that the products presented are new products.

An Comfortable is a company engaged in the supplier and manufacturer of Furniture, Handicraft Furniture, Rattan Furniture, rattan coffins, cafe furniture, hotel furniture, industrial furniture and Cirebon wholesalers. We are located on Jl. Nyi Mas wanawati 103 Tegalwangi, Weru, Cirebon West java - 42154 Indonesia. The production location which is close to the highway is very strategic if it is necessary to survey our production site and our furniture shop before ordering furniture from us.

Serving Order & Custom Order Furniture

We serve furniture sales online. The prices we offer are very reasonable and competitive because our goods are produced by ourselves. An comfortable production team are people who are experts in making designs, reading design drawings. This skill is an obligation to apply the design in the form of quality furniture. So if you have a design or according to your needs and custom design requests, don't hesitate to contact our team. Because we are the solution for the best and quality furniture for your home.
