

# THE SPICE ARTISAN

CV. KENCANA ADI BUANA

## OUR STORY.

Established in 2021, **Spice Artisan** is a spice supplier company based in Indonesia. Primarily focused in selling vanilla beans and cardamom as our main products. Our company was built because we solely believe that our home country is rich in agriculture and the products are proven to be high quality as well as recognized as one of the best in the world.

## OUR VISION & MISSION.

We are here to stay and deliver high quality spices with competitive price to anyone and anywhere, as a bridge between farmers in Indonesia to buyers all around the world.

We strive to be an honest and transparent company to both farmers and buyers. We source our products directly from a locally owned farm, and we participate in the process firsthand to make sure that every piece of product we give to buyers are top quality.

# OUR OBJECTIVES.

## AUTHENTIC PRODUCT

Directly source our product firsthand from our local farmer.

## QUALITY ASSURANCE

Ensuring the quality of our product by intervening throughout the process, sorting, and making sure our products are top notch.

## DIRECT TRADE

Sourcing our products directly from farmers helps create a good business ecosystem with them.

## COMPETITIVE PRICE

Eliminating any unnecessary cost during production and improving our supply chain with our farmers gives us the advantage to deliver competitive price without reducing quality.
