We add value to local experienced farmers. It's not the size of the business that matters, but the size of the heart in the business. Small businesses may be small in size but they are big on heart and passion.

Our purpose is to deliver excellence in trading to our stakeholders, associates, customers, vendors, investors, and the larger community, which we believe, will guarantee our own long-term prosperity.

We are engaging in spices product. We are cooperate closely with local experienced farmers to produce high quality products and a competitive prices to benefit our customer. In order to continue to earn their valued trust, we are also strive to implement stringent quality controls and ideal sustainability.

Our Key Features

KloperIndo[®]

Integrity

Integrity means telling the truth, keeping our word and treating others with fairness and respect. Integrity is one of our most cherished assets. It must not be compromised.

Commitment

We commit to serve the best spices that undergo through the best quality control. Our opportunity to serve should be viewed as a privilege that is not to be taken for granted.

Quality

Quality is exhibited in many ways by selling and supporting products and services that delight customers, establishing a work environment, delivering financial results that meet investor expectations.

Innovation

Innovation means inventing, designing, developing products and services that have high appeal in the marketplace and strengthen customer preference for the Pratama Spices Indonesia project.
