About Us

PT Kalpa Wira Persada

Kalpa Wira (PT Kalpa Wira Persada), we are an Indonesian export trade company of coconut derivatives products and spices from Indonesia. We supply globally.

The name of our company Kalpa Wira Persada obtained from Sanskrit. In Sanskrit coconut is known as *kalpa vriksha* or *kalpawreksha* which means 'the tree that provides all the necessities of life'. Coconut is one of the plants that almost all of its parts are useful for human life. While the word *wira* means though and has great character and *persada* means higher place. We hope that our company is in accordance with the meaning of the name embedded to be a "though company that provides all the necessities of life from coconut".

Kalpa Wira have one goal, to provide the highest quality products and services. To provide best coconut and spices products and helps Indonesian farmers to be more prosperous.

Vision

To be useful for human life and prosper with the nation through coconut trees and spices that provides all the necessities of life.

Mission

To provide high quality domestically processed coconut products and spices to the global community so as to improve the welfare of life together, while still paying attention to the environment and surroundings

Director's Statement

PT Kalpa Wira Persada, was established as an export trading company in the field of agricultural commodities, especially coconuts and their derivatives. Our company offers cooperation with various national and international companies, especially in the field of exporting agricultural products and spices from Indonesia.

This company profile was created as a basis for consideration, offers, cooperation and product information from our company. Although the age of our company is still young, the experience of cooperation that we have built can be one of the considerations for your company or institution to put your trust in us.

We believe that Indonesia is able to compete at the international level in the field of exports, Indonesian farmers have great potential and are a highly developed area. Kalpa Wira build a powerful supply chain. Empowerment of the environment and human resources to produce the best superior products.

Hopefully our company profile can provide discourse and considerations to establish a good cooperation. Finally, we send gratitude for the opportunity to receive and read this company profile and we hope for your cooperation.
