TRADE AND FISHERIES

COMPANY PROFILE

About Us

PT Beri Lautan Emas is a frozen fish supplier company in Indonesia. We offer frozen Indonesian seafood products, especially Large and Small Pelagic Fish such as Skip Jack Tuna, Yellow Fin Tuna, Baby Tuna, and Mackerel Scad, etc. We pay attention to the temperature, quality, and delivery of our products. We have cold storage facilities and several certificates such as SHTI and Dolphin Safe to support our business and as our commitment to provide our best and fresh products to provide sustainable added value for our customers.

VISION

To become the best integrated and superior fishery business in Indonesia with sustainable fishery resource management.

MISSION

1. Build an integrated fishery industry in Indonesia, from collecting, processing to trading fish
2. To ensure an environmentally friendly company
3. Provide the best value for stakeholders

OUR BUSINESS

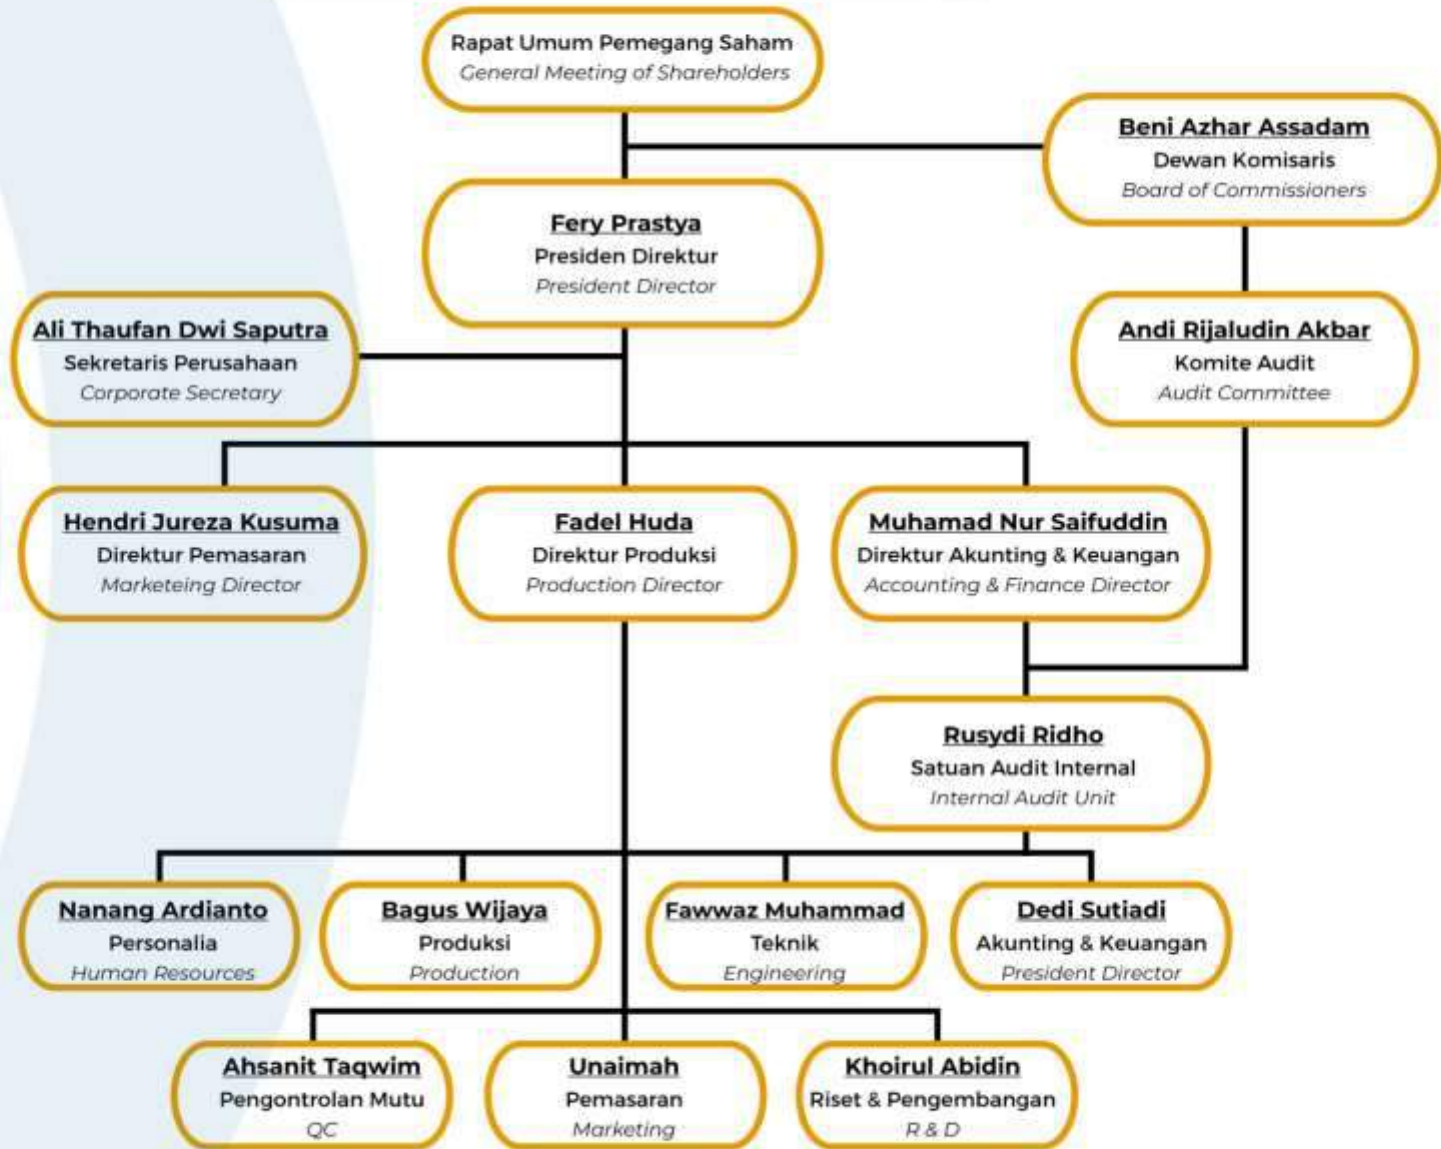

1. Fish Gathering
2. Fish Processing
3. Fish Trade
